The starting times of each meeting will be announced in the Journal. Delegates are requested to be in their places by those times to allow meetings to start punctually. Evening meetings will be announced during the session if they become necessary.

General information about the Conference, such as the location of meeting rooms and offices, telephone extensions and the various services, may be obtained at the Information Desk (second floor, No. 11 on the attached floor plan, extension 2141).

## **CREDENTIALS**

Delegates who have not yet submitted their credentials to the Director General are requested to do so immediately at the Credentials Office (second floor, No. 5, extension 2092).

## **IDENTIFICATION BADGES**

In the interest of security, conference participants are requested to wear their badges when entering the ACV and for as long as they are in the building. Members of delegations and other participants who are in possession of a valid VIC ground pass will not need additional identification. All other participants are requested to obtain their identification badges from the Registration Desk on the ground floor, No. 1, at the ACV. Badges will be issued from 8.30 a.m. onward.

## **DELEGATES' LIST**

The first official list of members of delegations was issued on Sunday, 26 September; it contains information on the composition of delegations which had been communicated to the Secretariat before Friday, 24 September. If, during the session, changes are required in the particulars provided at the time of registration, delegates are requested to inform the Protocol Office (second floor, No. 5, extension 2090), in writing, so that the list of delegation members may be brought up to date.

## **SPEAKERS' LIST FOR PLENARY MEETINGS**

At plenary meetings the President calls upon speakers to each item in the order in which they have entered their names on a written list. Delegates wishing to speak to an item are requested to inform Mr. A. Donà, on the second floor, No. 7, extension 2133, who also has a table in the Plenary Hall near the podium. Delegates of ministerial rank will be given preference.

Microphones have been placed on all tables. Delegates are requested to use them for voting by roll call, for explanation of vote, for interventions in the exercise of the right of reply and for procedural motions. At other times, and especially during the general debate, delegates are requested to deliver their statements from the rostrum. **Delegates about to make their statement are asked to come forward to the front when the preceding speaker is making his concluding remarks and wait at the table marked 'next speaker'.**

## **STATEMENTS OF DELEGATES**

To facilitate interpretation, it would be greatly appreciated if, as in the past, the texts of statements to be delivered during the general debate were handed to the Conference Officer in advance. In order to enable the Conference to make the best possible use of the time available, delegates are urged to keep the duration of their oral presentations down to a maximum of 15 minutes.

Copies of the full texts (in the original language) will, if delegates so request, be made available to other delegates during the session.

To facilitate the preparation of records of proceedings, it would be appreciated if delegates intending to provide the Secretariat with texts of statements would have them typed double-spaced (like this paragraph).

## **DOCUMENTS**

Delegates are advised that General Conference documentation is available electronically and they are urged to make full use of this service so as to reduce the costs to the Agency of printing and distributing hard copies of documents. The address is <http://www.iaea.or.at/GC/gc43/documents/>. Documents in hard copy will continue to be available at the Documents Station (second floor, No. 8).

Delegates wishing to submit draft resolutions or other documents to the Conference during the session are requested to provide the Conference Secretary, or the most appropriate Committee Secretary, with the text as early as possible.

A limited amount of typing can be arranged for delegations by Documents Services (second floor, No. 8).

## **USE OF RADIO RECEIVERS IN MEETING ROOMS**

In meeting rooms A, B, C, M, N and O of the ACV, portable radio receivers will be available, enabling participants to follow the proceedings in the original language and in the working languages of the Conference. As these receivers must be serviced between meetings, participants are requested not to remove them from the meeting rooms.

## **USE OF MOBILE TELEPHONES IN MEETING ROOMS**

Participants are requested to turn mobile telephones off when entering any of the meeting rooms.

## **SMOKING**

Participants are requested not to smoke in the meeting rooms.
