GENERAL ARRANGEMENTS

The Conference is meeting in the Austria Center Vienna (ACV), Bruno Kreisky Platz 1, 1220 Vienna, which is located next to the Vienna International Centre (VIC). The telephone number is 212 44 00.

General information about the Conference, such as the location of meeting rooms and offices, telephone extensions and the various services, may be obtained at the Information Desk (second floor, extension 2141).

CREDENTIALS

Delegates who have not yet submitted their credentials to the Director General are requested to do so immediately at the Credentials Office at the ACV (second floor, extension 2092).

IDENTIFICATION BADGES

In the interest of security, conference participants are requested to wear their badges when entering the ACV and for as long as they are in the building. Members of delegations and other participants who are in possession of a valid VIC ground pass will not need additional identification. All other participants are requested to obtain their identification badge from the Registration Desk on the ground floor, at the ACV. Badges will be issued from 8.30 a.m. onward.

DELEGATES' LIST

The second official list of members of delegations was issued on Tuesday, 19 September; it contains information on the composition of delegations which had been communicated to the Secretariat by 7.00 p.m. on Monday, 18 September. If, during the session, changes are required in the particulars provided at the time of registration, delegates are requested to inform the Protocol Office (second floor, extension 2090), in writing, so that the list of delegation members may be brought up to date.

SPEAKERS' LIST FOR PLENARY MEETINGS

At plenary meetings the President calls upon speakers to each item in the order in which they have entered their names on a written list. Delegates wishing to speak to an item are requested to inform Mr. A. Donà, on the second floor, extension 2133, who also has a table in the Plenary Hall near the podium.

Microphones have been placed on all tables. Delegates are requested to use them for voting by roll call, for explanation of vote, for interventions in the exercise of the right of reply and for procedural motions. At other times, and especially during the general debate, delegates are requested to deliver their statements from the rostrum. **Delegates about to make their statement are asked to come forward to the front when the preceding speaker is making his concluding remarks and to wait at the table marked “next speaker”.**

STATEMENTS OF DELEGATES

To facilitate interpretation, it would be greatly appreciated if the texts of statements to be delivered during the general debate were handed to the Conference Officer in advance. In order to enable the Conference to make the best possible use of the time available, delegates are urged to keep the duration of their oral presentations to **a maximum of 15 minutes**.

Copies of the full texts (in the original language) will, if delegates so request, be made available to other delegates during the session. In addition, as part of the coverage of the General Conference, the Division of Public Information can present delegates' statements on-line. If delegates wish to take advantage of this service, they are kindly requested to provide a copy of their statement in electronic form by e-mail to worldatom@iaea.org or on diskette to the Division of Public Information (first floor, extension 2056).

To facilitate the preparation of records of proceedings, it would be appreciated if delegates intending to provide the Secretariat with texts of statements would have them typed double-spaced (like this paragraph).

DOCUMENTS

Delegates are advised that General Conference documentation is available electronically and they are urged to make full use of this service so as to reduce the costs to the Agency of printing and distributing hard copies of documents. The address is <http://www.iaea.or.at/GC/gc44/documents/>. Documents in hard copy will continue to be available at the Documents Station (second floor).

Delegates wishing to submit draft resolutions or other documents to the Conference during the session are requested to provide the staff of the Conference Secretariat (second floor, extension 2011) with the text as early as possible.

A limited amount of typing can be arranged for delegations by Documents Services (second floor, extension 2046).

USE OF RADIO RECEIVERS IN MEETING ROOMS

In meeting rooms A, B, C, M, N and O of the ACV, portable radio receivers will be available, enabling participants to follow the proceedings in the original language and in the working languages of the Conference. As these receivers must be serviced between meetings, participants are requested not to remove them from the meeting rooms.

USE OF MOBILE TELEPHONES IN MEETING ROOMS

Participants are requested to turn mobile telephones off when entering any of the meeting rooms.

SMOKING

Participants are requested not to smoke in the meeting rooms.

CONTRIBUTIONS TO THE TECHNICAL CO-OPERATION FUND FOR 2001
