Members of delegations and other participants who are in possession of a valid VIC ground pass will not need additional identification. All other participants are requested to obtain their identification badge from the Registration Desk on the ground floor, No. 1, at the ACV. Badges will be issued from 8.30 a.m. onward.

DELEGATES' LIST

The second official list of members of delegations was issued on Tuesday, 18 September; it contains information on the composition of delegations which had been communicated to the Secretariat by 5.00 p.m. on Monday, 17 September. If, during the session, changes are required in the particulars provided at the time of registration, delegates are requested to inform the Protocol Office (2nd floor, No. 5, extension 2090), in writing, so that the list of delegation members may be brought up to date.

SPEAKERS' LIST FOR PLENARY MEETINGS

The speakers' list for the general debate will be closed at 12.30 p.m. today. If there are any delegates who have not yet inscribed in the list of speakers for the general debate, they should do so this morning.

STATEMENTS OF DELEGATES

To facilitate interpretation, it would be greatly appreciated if, the texts of statements to be delivered during the general debate were handed to the Conference Officer in advance. In order to enable the Conference to make the best possible use of the time available, delegates are urged to keep the duration of their oral presentations **to a maximum of 15 minutes**.

Copies of the full texts (in the original language) will, if delegates so request, be made available to other delegates during the session.

To facilitate the preparation of records of proceedings, the Secretariat would request texts of statements provided by delegates be typed double-spaced.

DOCUMENTS

Delegates are advised that General Conference documentation is available electronically and they are urged to make full use of this service so as to reduce the costs to the Agency of printing and distributing hard copies of documents. The address is <http://www.iaea.or.at/GC/gc45/documents/>. Documents in hard copy will continue to be available at the Documents Station (2nd floor, No. 8).
