The starting time of all meetings will be announced in the Journal. Delegates are requested to be in their places by those times to allow meetings to start punctually. Evening meetings will be announced during the session if they become necessary.

Attached are Seating Plans for Conference Room A (Plenary Meetings) and Conference Room B (Committee of the Whole). The numbers in square brackets (e.g. [No. 7]) identifying locations throughout this document correspond to the ACV Floor Plans that are also attached for your convenience.

General information about the Conference, such as the location of meeting rooms and offices, telephone extensions and the various services, may be obtained at the Information Desk on the 2nd floor [No. 11], extensions 2141/2144.

FORMALITIES ON ARRIVAL

Each participant will require a badge with a photograph for entry into the ACV during the session. The staff at the Registration Desk will issue badges to those designated participants who are not already in possession of a valid VIC grounds pass. Badges issued for the General Conference will also be valid for entering the VIC. Participants may register on Friday, 12 September 2003, at the Agency's Registration Desk **at Gate I** of the VIC between 9.00 a.m. and 5.30 p.m. and on Sunday, 14 September, between 2.30 p.m. and 6.30 p.m. on the ground floor [No. 1] at the ACV. Registration will continue throughout the week of the Conference's session at the Registration Desk in the ACV.

CREDENTIALS

Delegates (but not other members of delegations) will require credentials specifically for the session, even if they are already accredited to the Agency in some other capacity (for example, as Resident Representative). Credentials have to be delivered in due time to avoid difficulties, particularly for the General Committee. If credentials cannot be delivered by Friday, 12 September, delegates should deliver them directly to the Credentials Officer at the ACV on the 2nd floor, Room C 246 [No. 5], extension 2092, either on Sunday, 14 September, between 2.30 p.m. and 6.30 p.m. or on the following Monday morning.

DELEGATES' LIST

The first official list of members of delegations will be issued on Sunday, 14 September; it will contain information on the composition of delegations which has been communicated to the Secretariat by 6.00 p.m. on Thursday, 11 September. If, during the session, changes are required in the particulars provided at the time of registration, delegates are requested to inform the Protocol Office on the 2nd floor at the ACV, Room C 246 [No. 5], extension 2090, in writing, so that the list of delegation members may be brought up to date.

**SPEAKERS' LIST
FOR
PLENARY
MEETINGS**

At plenary meetings the President calls upon speakers on each item in the order in which they have entered their names on a written list. Delegates wishing to speak on an item are requested to inform Mr. A. Donà, on the 2nd floor at the ACV, room A 351 [No. 8], extension 2133, who will also have a table in the Plenary Hall near the podium.

**STATEMENTS
OF
DELEGATES**

To make more efficient use of the general debate, and in line with recommendations on streamlining the work of the General Conference, delegates are urged to keep the duration of their oral presentations down to **15 minutes at the most**, by focusing on the main points which they wish to make. Copies of the full texts (in the original language) will, if delegates so request, be made available to other delegates during the session.

To facilitate interpretation, the texts of statements to be delivered should be handed to the Conference Officer in advance. In addition, to facilitate the posting of statements on the Agency's website, copies of statements should be provided in electronic form as early as possible to the Division of Public Information. Statements should be e-mailed to **worldatom@iaea.org**.

To facilitate the preparation of the records of the proceedings, it would be appreciated if delegates intending to provide the Secretariat with texts of statements would have them typed double-spaced (like this paragraph).

DOCUMENTS

Delegates are reminded that General Conference documentation is available electronically and are urged to make full use of this service so as to reduce the costs to the Agency of printing and distributing hard copies of documents. The address is:

<http://www.iaea.org/worldatom/About/Policy/GC/>

Documents in hard copy will continue to be available at the Documents Station on the 2nd floor at the ACV [No. 8].

Delegates wishing to submit draft resolutions or other documents to the Conference during the session are requested to provide the Conference Secretariat on the 2nd floor at the ACV, Room B 548 [No. 15], extension 2011, or the appropriate Committee Secretary, with the text as early as possible.

A limited amount of typing can be arranged for delegations by Documents Services, on the 2nd floor at the ACV, room A 350 [No. 7].

**USE OF RADIO
RECEIVERS IN
MEETING ROOMS**

In meeting rooms A, B, C, M, N and O of the ACV, portable radio receivers will be available, enabling participants to follow the proceedings in the original language and in the other working languages of the Conference. As these receivers must be serviced between meetings, participants are requested not to remove them from the meeting rooms.
