# GENERAL

## GENERAL ARRANGEMENTS

The Conference is meeting in the Austria Center Vienna (ACV), Bruno Kreisky Platz 1, 1220 Vienna, which is located next to the Vienna International Centre (VIC). The ACV telephone number is 212 44 00.

The starting time of all meetings will be announced in the Journal. Delegates are requested to be in their places by those times to allow meetings to start punctually. Evening meetings will be announced during the session if they become necessary.

Attached are Seating Plans for Conference Room A (Plenary Meetings) and Conference Room B (Committee of the Whole). The numbers in square brackets (e.g. [No. 7]) identifying locations throughout this document correspond to the ACV Floor Plans that are also attached for your convenience.

General information about the Conference, such as the location of meeting rooms and offices, telephone extensions and the various services, may be obtained at the Information Desk on the 2<sup>nd</sup> floor [No. 11], extensions 2141/2144.

## FORMALITIES ON ARRIVAL

Each participant will require a badge with a photograph for entry into the ACV during the session. Members of delegations and other participants who are in possession of a valid VIC grounds pass will not need additional identification. Those designated participants who are not already in possession of a valid VIC grounds pass, should contact the staff at the Registration Desk, who will issue badges for the General Conference that will also be valid for entering the VIC. You are required to identify yourself with valid identification, i.e. passport, driver's licence, etc. Participants may register on the ground floor [No. 1] at the ACV throughout the week of the Conference's session at the Registration Desk in the ACV.

In the interest of security, conference participants are requested to wear their badges when entering the ACV for as long as they are in the building.

## CREDENTIALS

Delegates who have not yet submitted their credentials to the Director General are requested to do so immediately at the Credentials Office on the second floor of the ACV, Room C 246, [No. 5], extension 2092.

## DELEGATES' LIST

The first official list of members of delegations was issued on Friday, 12 September; it contains information on the composition of delegations which had been communicated to the Secretariat by 5.00 p.m. on Friday, 12 September 2003. If, during the session, changes are required in the particulars provided at the time of registration, delegates are requested to inform the Protocol Office on the 2<sup>nd</sup> floor at the ACV, Room C 246 [No. 5], extension 2090, in writing, so that the list of delegation members may be brought up to date.

## **SPEAKERS' LIST FOR PLENARY MEETINGS**

At plenary meetings the President calls upon speakers on each item in the order in which they have entered their names on a written list. Delegates wishing to speak on an item are requested to inform Mr. A. Donà, on the 2<sup>nd</sup> floor at the ACV, room A 351 [No. 8], extension 2133, who will also have a table in the Plenary Hall near the podium. Delegates of ministerial rank will be given preference.

Microphones have been placed on all tables. Delegates are requested to use them for voting by roll call, for explanation of vote, for interventions in the exercise of the right of reply and for procedural motions. At other times, and especially during the general debate, delegates are requested to deliver their statements from the rostrum. **Delegates about to make their statement are asked to come forward to the front when the preceding speaker is making his concluding remarks and to wait at the table marked “next speaker”.**

## **STATEMENTS OF DELEGATES**

To make more efficient use of the general debate, and in line with recommendations on streamlining the work of the General Conference, delegates are urged to keep the duration of their oral presentations down to **15 minutes at the most**, by focusing on the main points which they wish to make. Copies of the full texts (in the original language) will, if delegates so request, be made available to other delegates during the session.

To facilitate interpretation, the texts of statements to be delivered should be handed to the Conference Officer in advance. In addition, to facilitate the posting of statements on the Agency's website, copies of statements should be provided in electronic form as early as possible to the Division of Public Information. Statements should be e-mailed to **worldatom@iaea.org**.

To facilitate the preparation of the records of the proceedings, it would be appreciated if delegates intending to provide the Secretariat with texts of statements would have them typed double-spaced (like this paragraph).

## **DOCUMENTS**

Delegates are reminded that General Conference documentation is available electronically and are urged to make full use of this service so as to reduce the costs to the Agency of printing and distributing hard copies of documents. The address is:

**<http://www.iaea.org/worldatom/About/Policy/GC/>**

Documents in hard copy will continue to be available at the Documents Station on the 2<sup>nd</sup> floor at the ACV [No. 8].

Delegates wishing to submit draft resolutions or other documents to the Conference during the session are requested to provide the Conference Secretariat on the 2<sup>nd</sup> floor at the ACV, Room B 548 [No. 15], extension 2011, or the appropriate Committee Secretary, with the text as early as possible.

A limited amount of typing can be arranged for delegations by Documents Services, on the 2<sup>nd</sup> floor at the ACV, room A 350 [No. 7].

**USE OF RADIO RECEIVERS IN MEETING ROOMS**

In meeting rooms A, B, C, M, N and O of the ACV, portable radio receivers will be available, enabling participants to follow the proceedings in the original language and in the other working languages of the Conference.
