

# NPP Feedback

- Topic areas of particular interest
- General observations
- How could IDN deliver?

# Topic Areas of Interest for NPPs

	<b>Score</b>
Characterisation	22
Cutting techniques (large items)	14
Clearance process	14
Graphite waste	12
Ground remediation and survey	12
Cost estimation	10
Decontamination techniques	10
VLLW & Waste strategy	7
Decommissioning planning	5
Decommissioning strategy	0

# General comment

- Waste management is extremely important for decommissioning - how will this be addressed?
- IDN should also enable a web-based information exchange and query resolution system

# IDN working methods

- Training workshops
- Information Exchange Forum (general and topic-based)
- Site visits
- Documented good practice (Technical Reports, Newsletters?)
- List of experienced sites/persons for each topic area (NB users/operators, not commercial advertising)
- List of commercial support availability in each topic area
