"Austria has examined the reservation made by Ukraine when ratifying the Convention on Nuclear Safety. From Austria's viewpoint, this reservation jeopardizes object and purpose of the Convention. Austria is of the opinion that the applicability of the Convention between Austria and Ukraine remains unaffected."

"India continues to believe that a Convention on Nuclear Safety should cover all nuclear power plants, civil and military. We note, however, that the present convention covers only civilian nuclear power plants. We hope that the safety aspects of nuclear power plants in the military domain would also be given attention, to achieve comprehensive nuclear safety worldwide."
