## LIST OF ABBREVIATIONS

PFSR-----	Preliminary Feasibility Study Report
EIR-----	Environmental Impact Report
FSR-----	Feasibility Study Report
PSR-----	Pre-safety Report
PSAR-----	Preliminary Safety Analysis Report
FSAR-----	Final Safety Analysis Report
OLA-----	Operation Licence Application
NSTC-----	National Science And Technology Commission
NEPA-----	National Environment Protection Authority
LEPA-----	Local Environment Protection Authority
SC-----	State Council
NPC-----	National Planning Commission
SPD,CNNC---	Safety Protection Department,China National Nuclear Corporation
PD-----	Preliminary Design
CNNSA-----	China National Nuclear Safety Authority
