Progress of Activity 2
ANENT Web Portal: SWOT Analysis

**STRENGTH**
- Thorough and good Search Facility
- Transport for Information Sharing and Collaboration
- Key person and project networking
- Linkage to other Websites
- User friendly

**WEAKNESS**
- ANENT intro, showing the globe, Newzealand should be New Zealand
- Data input section, data on available courses should be displayed in alphabetical order for user’s easy viewing.
- Permission on delete/edit information of country’s data – Access control
ANENT Web Portal:
SWOT Analysis

WEAKNESS – cont’d

- Subjects not harmonised e.g Radiation Protection Officer & Radiation Protection for Officer are two different subjects
- Structural hierarchy: 3 very broad subject fields - nuclear power, non-nuclear power and medical applications

OPPORTUNITY

- Complement other Regional Websites activities: eg e-learning and distance learning
- Promote Regional TCDC – placement of fellows for training
- Support and expedite KM Practice in the region
ANENT Web Portal: SWOT Analysis

THREAT

- Duplicating other Websites eg RCA – Regional Resources Unit, ANSN – Training Activities, FNCA?

Issues and Challenges

- Harmonisation of the subjects
- Structural hierarchy of the NET DB – taxonomy for guided search
- Quality of Data
- Validation of Data
- Access policy and guidelines
- Sustainability
Way Forward

- Promote the usage of ANENT Web portal for training placement of fellows under TC Fellowship and Training Program
- Technical Cooperation amongst Developing Country
- Strengthen knowledge sharing and collaboration
- Knowledge Management Practice

THANK YOU
