Registration:

The Registration Desk will be open on Sunday, 27 May from 17.00 until 19.00 and will be followed by a reception jointly hosted by the Ministry of Electricity and Energy of Egypt and the IAEA. The Registration Desk will also be open throughout the Seminar during working hours. No registration fee is charged.

Please note that all persons wishing to participate in the Seminar should submit a **Participation Form** (available at this site) through one of the official channels of their country to the IAEA.

Opening of the Seminar:

Monday, 28 May, 2001, 9.00 hours

Programme:

A provisional programme is also available at this site for your information. Authors of papers included in the provisional programme are requested to notify the Secretariat by **2 April 2001** of any corrections necessary regarding the entry of their respective paper. Please note that due to the large number of quality papers the Seminar will run until noon Thursday, 31 May and that there will be no poster session or technical tour to the Atomic Energy Authority and the Electricity Dispatch Center. Please see **'Tours'**

below regarding the tour to Hydro Power Station in Aswan and the nearby archaeological sites.

- Documentation:** The final programme and the book of extended synopses will be available in Cairo upon registration.
- Proceedings:** The proceedings of the meeting will be published (unedited) by the IAEA as soon as possible after the meeting.
- Accommodation:** Information on hotel accommodation at special participants' rates is available at this site. Please complete the Hotel Reservation Form and send it as soon as possible to reach the following address no later than **15 April 2001**:
