

Mr Vladimír Šucha

Director-General, European Commission Joint Research Centre

Vladimír Šucha is Director-General of the Joint Research Centre of the European Commission (JRC), the in-house scientific service. He was Deputy Director-General of the JRC between 2012 and 2013. Prior, he spent six years in the position of Director for Culture and Media with the Directorate-General for Education and Culture of the European Commission. Before joining the European Commission, he held various positions in the area of European and international affairs. Between 2005 and 2006, he was Director of the Slovak Research and Development Agency, the national body responsible for funding research. He was principal advisor for European affairs to the Minister of Education of the Slovak Republic (2004-2005), and worked at the Slovak Representation to the EU in Brussels as research, education and culture counsellor (2000-2004). In parallel, he has followed a long-term academic and research career, being a full professor in Slovakia and visiting professor/scientist at different academic institutions in several countries. He has published more than 100 scientific papers in peer reviewed journals.
