

Ms Mary Gospodarowicz

Former President of UICC and Medical Director, Princess Margaret Cancer Centre, Canada

Mary Gospodarowicz is University Professor at the University of Toronto, Medical Director of the Princess Margaret Cancer Centre/University Health Network, and the Regional Vice President of Cancer Care Ontario. Her research focused on clinical trials evaluating radiation therapy, image-guided precision radiotherapy, and cancer survivorship. Her current interests include global cancer control, global access to radiotherapy, and quality cancer care. She is a Past-President of the Union for International Cancer Control (UICC). She participated in the Harvard Global Task Force on Cancer Care and Control and Lancet Commission on Global Access to Pain Control and Palliative Care. Under the auspices of UICC and Lancet Oncology, the Global Task Force on Radiotherapy produced a seminal report on “Expanding the global access to radiotherapy” that provided evidence for the demand, efficacy, and cost-effectiveness of radiotherapy. She is a Fellow of the American Society in Radiation Oncology (ASTRO), Honorary Fellow of the Royal College of Radiologists in the United Kingdom, Honorary Fellow of the Faculty of Radiologists in the Royal College of Surgeons of Ireland, and honorary member of ESTRO, SASRO, and DEGRO. She was appointed Officer of the Order of Canada in 2015.
