

## IAEA Support to Environmental Remediation Projects

Tuesday, 17 September 2019, 11:30–13:00  
C5, C building, 7th floor

Remediation of contaminated nuclear facilities and sites is still a challenge for many countries. This side event will showcase successful environmental remediation initiatives supported by the IAEA. This includes its support through sharing of information, experience and best practices, networking and capacity building. The event will also give an overview of projects implemented through IAEA technical cooperation programme and highlight partnership opportunities.

The event will mark the tenth anniversary of the IAEA Network on Environmental Management and Remediation (ENVIRONET) and announce the first IAEA International Conference on the Management of Naturally Occurring Radioactive Material (NORM) in Industry, scheduled for October 2020.

**Chairs:**

**Ana RAFFO-CAIADO**

Director, Division for Europe  
Department of Technical Cooperation

**Christophe XERRI**

Director, Division of Nuclear Fuel Cycle and Waste Technology  
Department of Nuclear Energy

**Scientific Secretaries:**

**Horst MONKEN-FERNANDES**

Division of Nuclear Fuel Cycle and Waste Technology  
Department of Nuclear Energy

**Jing ZHANG**

Division for Europe  
Department of Technical Cooperation

# IAEA Support to Environmental Remediation Projects

Tuesday, 17 September 2019, 11:30–13:00, C5, C building, 7th floor

## Provisional Agenda

### Opening addresses

**Mr Mikhail CHUDAKOV**

IAEA Deputy Director General  
Head of the Department of Nuclear Energy

**Mr Dazhu YANG**

IAEA Deputy Director General  
Head of the Department of Technical Cooperation

### Overview of the worldwide situation of environmental remediation – future perspectives and activities

**Mr Christophe XERRI**

Director, Division of Nuclear Fuel Cycle and Waste Technology, Department of Nuclear Energy

### Overview of the activities of the Technical Cooperation Department in support of environmental remediation

**Ms Ana RAFFO-CAIADO**

Director, Division for Europe  
Department of Technical Cooperation

### IAEA Support to Azerbaijan in the remediation and surface radiological characterization of NORM contaminated sites related to former iodine-bromine production facilities

**Mr Vugar HUSSEYNOV**

State Agency for Nuclear and Radiological Activity Regulation, Azerbaijan

### The decommissioning of the Chernobyl cooling pond

**Mr Viktor KUCHINSKY**

State Specialized Enterprise Chernobyl Nuclear Power Plant, Ukraine

### Uranium mine project and advance preparation of decommission or remediation

**Mr Dennis Amos MWALONGO**

Tanzania Atomic Energy Commission

### 10 years of the Training Course on Decommissioning and Environmental Remediation

**Ms Karen SMITH**

Environmental Science Division  
Argonne National Laboratory, USA

### The CIS inter-state targeted programme on 'Remediation of member state territories affected by uranium mining industries

**Mr Alexander Bychkov**

Representative of State Atomic Corporation "Rosatom" in Vienna, Russian Federation

### Panel Discussion

### Networking in supporting Capacity Building in Member States – 10 years of the ENVIRONET (Network of Environmental Management and Remediation)

**HE Mr Marcel BIATO**

Resident Representative, Permanent Mission of the Federative Republic of Brazil to the IAEA

### Closing remarks by Chairpersons

**Mr Christophe XERRI**

**Ms Ana RAFFO-CAIADO**
