

# Building capacity in Member States

## CONNECT with communities of practice in

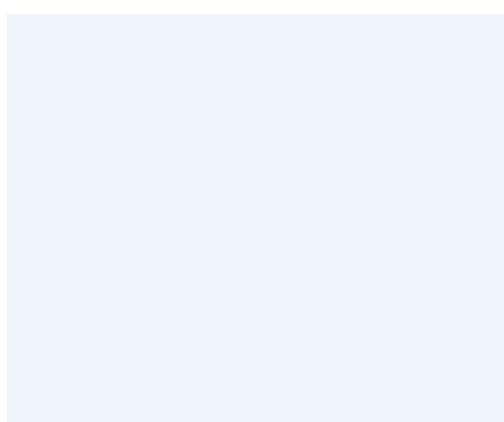

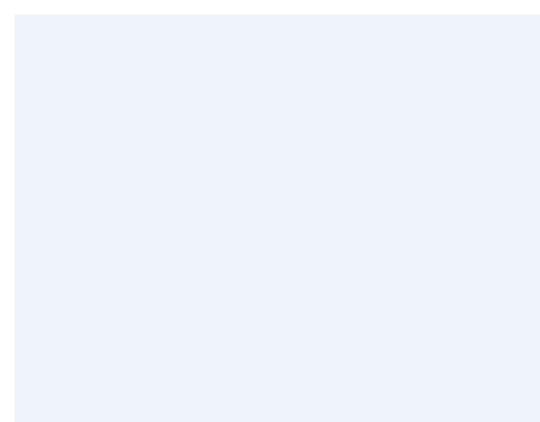

- radioactive waste management
- decommissioning
- environmental remediation

A gateway  
to IAEA  
professional  
networks

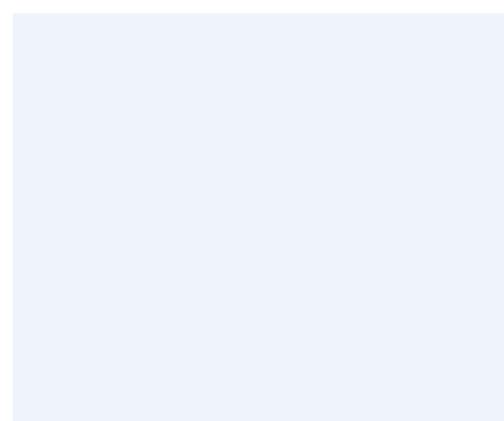

A platform  
for sharing  
experience  
and expertise

A hub for  
E-learning,  
libraries and  
other resources

A collaborative  
workspace that  
supports online  
interactions
