

## **Opportunities for exhibitors during the**

### **International Conference on Radioactive Waste Management: Solutions for a Sustainable Future**

The International Atomic Energy Agency (IAEA) is organizing **International Conference on Radioactive Waste Management: Solutions for a Sustainable Future** at the IAEA Headquarters in Vienna, Austria from 1 to 5 November 2021.

The purpose of the event is to share experiences in the management of radioactive waste, with the aim of increasing the visibility of progress, good practice and effective solutions. The event is aimed at senior government officials, high-level staff from waste management organizations, regulators, waste producers and other stakeholders, as well as technical and scientific experts working in all areas of radioactive waste management. The conference is also intended to attract industry and civil society representatives, including non-governmental organisations and academic institutions.

Approximately 400 participants from IAEA Member States and international organizations are expected to attend the conference. The IAEA is intending to hold an exhibition for commercial vendors in the fields in conjunction with the conference.

Each company will be provided with, free of charge, an exhibition space of 6m<sup>2</sup> (3x2m) including one table (80x160cm) and 2 chairs. Alternatively, professional booths with walls can be rented from an outside company.

Companies wishing to take advantage of this opportunity to exhibit are requested to contact the Scientific Secretary of the event via the email address [RWM2021@iaea.org](mailto:RWM2021@iaea.org) and are encouraged to make a voluntary contribution to the IAEA in support of the event. The contribution would be utilized to financially support scientists from developing countries to attend the event or other costs directly related to the organization of the event. An acknowledgement of the voluntary contribution will be made available in the IAEA Conferences app, which will include all conference related information.

In view of space limitations, the selection of exhibitors will be based on a 'first come first served' basis. Therefore, interested parties should send an email to [RWM2021@iaea.org](mailto:RWM2021@iaea.org) before **30 April 2021**.

Further details on logistical arrangements for exhibitors will be sent to them after their replies have pledges have been received.
