

International Symposium on Sustainable Animal Production and Health

Current Status and Way Forward

(Virtual Event)

28 June to 2 July 2021
(previously scheduled for 22–26 June 2020)

OPPORTUNITIES FOR EXHIBITORS

The FAO/IAEA International Symposium on Sustainable Animal Production and Health – Current Status and Way Forward, a virtual event from 28 June to 2 July 2021, expects to welcome approximately 500 attendees from FAO and IAEA Member States, invited organizations and observers from all over the world.

This is a great opportunity for private vendors and organizations in the field of animal health and reproduction to exhibit.

The event webpage and IAEA Conferences and Meetings App will have a dedicated link to their virtual exhibition or website.

Interested parties should contact the event organizers by email (APHSymposium2021@iaea.org) before 28 February 2021.
