

**IAEA General Conference side event
26-30 September 2022, Vienna, Austria**

ANNOUNCEMENT

International Student Video Contest

THEME

Role of nuclear technology in addressing climate change

This Video Contest aims to promote discussion on the impact of nuclear technology in addressing climate change, by inviting students to produce a short video on the topic in an engaging and entertaining way.

Students can present the role of nuclear technology in addressing climate change:

- To themselves as individuals, communities, regions, countries
- Through Innovation / technology
- Its issues / benefits
- On their potential inspiring careers, etc.

PARTICIPANTS

- Teams of up to 4 students, age up to 18, with at least 50% female representation. Teachers can be advisors.
- Teams may be composed of students from a single school, or from a number of schools working together in IAEA Member States. No more than one entry per team can be considered.

CRITERIA

- Digital Media/Videos should demonstrate understanding of nuclear technology and its impacts
- Media can combine theoretical and practical content in a creative way
- Content needs to be as scientifically accurate as possible
- Media content should be original, i.e. no copyright material (such as music, images or videos not created by participants) should be used
- Videos should be no longer than 3 minutes
- The number of likes on YouTube video will be considered

SUBMISSIONS

- A registration form for the contest should be uploaded to the [INDICO Student Video Contest 2022 page](#).
- On this form, the data of the team members (submitted through the [Microsoft form](#)), abstracts (using [INDICO Call for Abstracts](#)) with an outline of what will be produced, including motivation, outcome, methods, further thoughts, etc, should be given
- Top twenty-five (25) % teams will be shortlisted (prior to the conference)
- Shortlisted teams are required to send a link to their videos (maximum 3 minutes) in an e-mail address: NKM-HRD2022@iaea.org rather than sending them attached
- Videos can be shot with mobile phones in landscape mode
- Videos in a language other than English must have English subtitles
- Participants must upload all videos on YouTube by the deadline
- Participants can also upload videos on multiple social media such as Facebook, Twitter, and hashtags can be used
- Five finalist videos will be presented at the IAEA General Conference side event in Vienna and be given certificates and awards
- The winner of the Student Video Contest will be selected by the jury at the IAEA General Conference side event

Prizes (for each team member):

- 1) 1st place – electric scooter
- 2) 2nd place – unicycle
- 3) 3rd place – hoverboard
- 4) Special prize – tracker

DEADLINES
