Join us to celebrate the achievements and milestones of the project Women in Nuclear (WiN) Regional Cooperation Agreement for the Promotion of Nuclear Science and Technology in Latin America and the Caribbean (ARCAL)! The event will highlight:

- Milestones achieved as a region towards gender equality and future steps towards the establishment of the WiN ARCAL Regional Chapter
- Key contributions from participant countries and their Women in Nuclear national chapters, and impact so far
- Experiences of women driving the development of nuclear science and technology in Latin America and the Caribbean
