Symposium**Material:**

The preliminary programme is available on the [symposium website](#) and a final version will be uploaded prior to the start of the event.

**Conference App /
virtual attendance:**

A mobile conference application (app) will be available for all registered participants and observers for use either on the smart phone/iPad or on the personal computer/laptop (see information below).

Via the app, users will be able to view the latest programme, all abstracts, the list of participants, message other participants, follow the presentations in the 'Live Stage' and view presentations released after the event.

In the week prior to the start of the conference, registered persons will receive an e-mail notification from messages@superevent.com which will provide users with login information to the app. Should you not receive this email, please check your spam folder.

**App profile /
password:**

Any new user has to download the app free of charge via the [App Store](#) or [Google Play](#) and create a profile (email and password). If you have used the app before, make sure you remember your password or use the option 'forgot password'. You will be asked for this password when accessing the conference either through your smart phone or desktop.

**View the event via
the app on a smart
phone or iPad:**

Click on the app you downloaded on your smart phone or iPad.

**View the event via
the app on a
personal computer
or laptop:**

Click on the link provided in the above-mentioned email notification, which will open the desktop version of the app.

Greening:

As stated in the symposium announcement, the Agency is organizing its meetings as green events – we therefore ask our participants to consider the following:

If possible, use environmentally compatible public means of transport to travel to the event location. In Vienna we suggest using public transportation or walking. Please consider offsetting your CO₂ emissions through compensation payments, when travelling by car or plane.

Consider choosing an eco-labelled hotel (Austrian Eco-label, European Ecolabel, EMAS or others).

Please make use of the environmentally friendly offers of your hotel (change of towels and bedlinen only when needed for example). Turn off all lights, electronic equipment (TV, air condition system, heating, computer etc.) when you leave the hotel room for some time.

Dispose of your waste (PET, glass, paper, metal, batteries, etc.) via the separate collection systems provided at the hotel and at the event venue.

Please bring your own writing utensils. Your badge can be returned at the exit at Gate 1 after the event.
