

**Mr. Hassan Aguenau**  
**Ibn Tofail University, Morocco**

Mr. Aguenao is currently a Professor at Ibn Tofail University where he specializes in Food and Nutrition. He is the Director of the Joint Unit of Research in Nutrition and Food Science as well as the Coordinator of Designated Regional Centre of Nutrition in association with AFRA/IAEA.

He is currently serving as the Director of a research group that focuses on body composition, obesity, physical activity, breastfeeding, and dietary intake. Mr. Aguenao also implements and monitors an action plan for the national nutrition strategy where he aims to reduce the consumption of salt, sugar, and fat.

Mr. Aguenao is a member of the Steering Committee of the National Survey on metabolic disease risk factors as well as a member of the National Survey on the nutritional profiles for vitamins and minerals in the Moroccan population for the years of 2017 and 2018. He is a member of the WHO Global Coordination Mechanism on the Prevention and Control of Non-communicable diseases.
