

**International Conference on the IAEA Technical Cooperation Programme:  
Sixty years and *beyond* – Contributing to development  
30 May – 1 June 2017**

**IAEA Headquarters, Vienna, Austria**

**Information for Permanent Missions to the IAEA**

**Registration Procedures**

Permanent Missions are kindly requested to communicate to the Secretariat the composition of their delegation and person collecting all badges (if applicable, see below) by **19 May 2017**.

Member States are requested to note that for security reasons all conference participants, **including Heads of States, Ministers et al**, will be required to have a TC Conference photo access pass (badge). Therefore, everybody is requested to provide an email address, at which they will be contacted for the purpose of uploading their photo and pre-printing the badges.

Exception: participants holding a VIC grounds pass (e.g. Permanent Mission staff) do not need a separate TC conference badge.

Pre-printed passes will be available at Gate 1 of the VIC as of Monday, 29 May 2017, 10.00 a.m.

If Permanent Missions would like to authorize a member of the delegation to collect all conference badges on behalf of the delegation, Permanent Missions are requested to advise the Secretariat accordingly by **19 May 2017** (see 1st paragraph above). In such cases, however, the person designated to collect these is fully responsible for the delivery of the passes to the members of his/her delegation, since, once collected, passes can neither be returned to the Registration Desk nor reprinted. All other participants are requested to collect their passes in person.
