# Joint Statement on a Framework for Cooperation

1. On 11 November 2013, the Director General and the Vice-President of the Islamic Republic of Iran, President of the Atomic Energy Organization of Iran, signed in Tehran a “Joint Statement on a Framework for Cooperation” to strengthen the cooperation and dialogue between the Agency and Iran aimed at ensuring the exclusively peaceful nature of Iran’s nuclear programme through the resolution of all outstanding issues.
2. The “Joint Statement on a Framework for Cooperation” is herewith attached for the information of the Board of Governors.

## JOINT STATEMENT ON A FRAMEWORK FOR COOPERATION

The International Atomic Energy Agency (IAEA) and the Islamic Republic of Iran (Iran) have agreed today, 11 November 2013, to strengthen their cooperation and dialogue aimed at ensuring the exclusively peaceful nature of Iran's nuclear programme through the resolution of all outstanding issues that have not already been resolved by the IAEA.

In this regard, it was agreed that Iran and the IAEA will cooperate further with respect to verification activities to be undertaken by the IAEA to resolve all present and past issues. It is foreseen that Iran's cooperation will include providing the IAEA with timely information about its nuclear facilities and in regard to the implementation of transparency measures. Activities will proceed in a step-by-step manner.

The IAEA agreed to continue to take into account Iran's security concerns including through the use of managed access and the protection of confidential information.

As a first step, Iran and the IAEA agreed to the practical measures listed in the attached Annex. Iran will provide the access and information within three months from the date of this Statement. The IAEA will report to the Board of Governors on progress in the implementation of these measures.
