INCLUDING THE CALLING OF A PLEDGING CONFERENCE**

Report of the Special Committee on Pledges of  
Voluntary Contributions to the General Fund

Rapporteur: Mr. L.J.D. FERNANDO (Ceylon)

1. At its twenty-first plenary meeting on 26 September 1958, the General Conference established and convened, under the chairmanship of the President of the Conference, a special committee of the whole Conference, at which pledges of voluntary financial contributions to the General Fund to meet the expenses of the operational part of the Agency's budget for 1959 would be announced.<sup>1/</sup>
2. The Committee completed its work in one meeting on 3 October 1958.
3. Mr. Fernando (Ceylon) was unanimously elected Vice-Chairman and Rapporteur of the Committee.
4. The Committee heard a statement from the Director General concerning the importance of its work in view of the dependence at this time of the Agency's own fellowship and technical assistance activities and laboratory services on voluntary contributions by Member States.
5. The following Member States announced that they would make the voluntary financial contributions specified in the second column below to the General Fund. It was indicated that a number of the pledges were subject to the approval of the legislative authorities of the Member States concerned. In order to ensure that those and other reservations were fully recorded, the Committee decided that a verbatim record of its proceedings should be kept.
