

GC(VII)/DEC/7. OPENING DATE OF THE EIGHTH REGULAR SESSION

The General Conference provisionally set Tuesday, 22 September 1964, as the opening date of the eighth regular session, but authorized the Director General, after consulting the Board of Governors, to advance that date somewhat to bring it closer to the end of the Third International Conference on the Peaceful Uses of Atomic Energy if such a change should, in due course, appear to be in the general interest.
