The General Conference,

Accepting the recommendations of the Board of Governors^{1/},

1. Decides:

- (a) That the Working Capital Fund of the Agency shall remain at US \$2 million in 1964; and
- (b) That the Fund shall be financed, administered and used in 1964 in accordance with the relevant provisions of the Agency's Financial Regulations^{2/};

2. Authorizes the Director General:

- (a) To make advances from the Fund, not exceeding US \$25 000 at any time, to provide temporary financing for projects and activities of a strictly self-liquidating character which will not necessitate an increase in the Fund in future years; and
- (b) With the prior approval of the Board of Governors, unless in his opinion the situation requires immediate action before such approval can be obtained, to make advances from the Fund to meet the costs incurred by the Agency in organizing and rendering emergency assistance to Member States in connection with radiation accidents, up to \$50 000 in each case;
