THE AGENCY'S RELATIONS WITH INTERGOVERNMENTAL ORGANIZATIONS

Representation at the thirteenth (1969) regular session of the General Conference

Recommendation by the Board of Governors

1. For some years the Agency has had co-operation agreements with two inter-governmental organizations which provide, among other things, for their representatives to attend sessions of the General Conference [1], and the Board of Governors is now recommending the Conference to approve a third agreement of this type [2]. There are, however, other such organizations concerned with developing the uses of nuclear energy or with research in the nuclear sciences, whose work on certain technical problems touches that of the Agency and whose representation at the Conference's session next year may therefore be in the Agency's interest.

2. In this connection the Conference will recall that it has regularly authorized the Board to invite certain intergovernmental organizations to be represented by observers at its subsequent session, [3] In the Board's opinion it would be desirable for the Conference to continue to follow this course by authorizing the Board to extend such invitations in respect of the thirteenth regular session, and it accordingly recommends the Conference to adopt the draft resolution overleaf.

[1] The agreements, which are reproduced in document INFCIRC/25, are with the Organisation for Economic Co-operation and Development (for co-operation between the Agency and the European Nuclear Energy Agency) and with the Inter-American Nuclear Energy Commission of the Organization of American States.

[2] See document GC(XII)/376, to which is annexed a draft agreement with the Organization of African Unity providing for co-operation with the Organization's Educational, Scientific, Cultural and Health Commission.

[3] See, for example, Resolution GC(XI)/RES/225.

REPRESENTATION OF INTERGOVERNMENTAL ORGANIZATIONS AT THE
THIRTEENTH (1969) REGULAR SESSION

The General Conference,

- (a) Taking into account Rule 32 (a) of the Rules of Procedure [1], which provides for the attendance at its sessions of representatives of intergovernmental organizations with which appropriate relationships have been established under Article XVI of the Statute, and
- (b) Considering the fact that before its thirteenth regular session in 1969 such relationships will not have been established with all organizations the attendance of representatives of which may be in the interest of the Agency,

Authorizes the Board of Governors to invite intergovernmental organizations other than those with which the Agency has established relationships under Article XVI of the Statute, engaged in the peaceful uses of atomic energy in accordance with the objectives of the Agency as stipulated in the Statute, to be represented by observers at the thirteenth regular session of the Conference in 1969.
