Sixteenth regular session

Item 12 of the provisional agenda
(GC (XVI)/478)

GENERAL COMMITTEE

ELECTION OF MEMBERS TO THE BOARD OF GOVERNORS

Memorandum by the Director General

1. Under Rule 86 of the Rules of Procedure^{1/} the General Committee is called upon to determine the number of elective places on the Board of Governors which must be filled by the General Conference, as well as to specify each geographical area in respect of which a Member or Members must be elected so as to ensure compliance with the provisions of Article VI.A.3 of the Statute.

2. Of the present Members elected at previous sessions, the terms of office of five - Brazil, Chile, the Netherlands, the Syrian Arab Republic and Thailand - will expire at the end of the sixteenth regular session. The Committee will, therefore, no doubt wish to determine and so report to the Conference that five Members must be elected to the Board during this session.

3. Article VI.A.3 of the Statute provides that the 12 Members of the Board elected by the Conference shall always include:

3 from Latin America,	1 from South Asia,
1 from Western Europe,	1 from South East Asia and the
1 from Eastern Europe,	Pacific, and
3 from Africa and the Middle East,	1 from the Far East.

Since the seven elected Members that will continue to serve on the Board after the end of the current session are China, Colombia, the Arab Republic of Egypt, Greece, Romania, the Republic of Sri Lanka and the Republic of Zaire^{2/}, the Committee will doubtless wish to specify that the following elections are required in respect of geographical areas:

2 from Latin America,
1 from Africa and the Middle East, and
1 from South East Asia and the Pacific.

ELECTION OF MEMBERS TO THE BOARD OF GOVERNORS

Report of the General Committee

1. Rule 86 of the Rules of Procedure^{1/} requires the General Conference to determine the number of elective places on the Board of Governors which must be filled by the General Conference so as to ensure compliance with the provisions of Article VI.A.3 of the Statute. The Committee accordingly notifies the Conference that it has determined that five Members must be elected to the Board during the present session. In this connection, the Committee invites attention to the last provision in the Article, which stipulates that

".... no member in the category [of members elected to the Board by the General Conference] in any one term of office shall be eligible for re-election in the same category for the following term of office."^{2/}

2. Rule 86 further requires the General Committee to specify the geographical areas in respect of which a Member or Members must be elected so as to ensure that after the end of the session the Board shall include three Members each elected by the Conference from the areas of Latin America and of Africa and the Middle East, and one Member from each of the remaining areas, except North America, specified in Rule 83. In compliance with this provision, the Committee hereby specifies that elections are required at the current session in respect of three geographical areas, as follows:

2 Members from Latin America,
1 Member from Africa and the
Middle East, and

1 Member from South East Asia
and the Pacific.

The remaining Member may be elected from any geographical area in so far as its election is not precluded by the provisions of Article VI of the Statute.

3. In view of the provision in Rule 83 that the Conference shall conduct the elections with due regard to equitable representation on the Board as a whole of the Members in the geographical areas specified in that Rule, it may wish
