may speak on any question. When debate is limited and a delegate has spoken his allotted time, the presiding officer shall call him to order without delay.

**Rule 58. Closing of list of speakers**

During the course of a debate the presiding officer may announce a list of speakers and, with the consent of the General Conference, declare the list closed. He may, however, accord the right of reply to any delegate if a speech delivered after the list has been closed makes this desirable.

**Rule 59. Adjournment of debate**

During the discussion of any matter, a delegate may move the adjournment of the debate on the item under discussion. In addition to the proposer of the motion, two delegates may speak in favour of, and two against, the motion, after which the motion shall be immediately put to the vote. The presiding officer may limit the time to be allowed to speakers under this Rule.

**Rule 60. Closure of debate**

A delegate may at any time move the closure of the debate on the item under discussion, whether or not any other delegate has signified his wish to speak. Permission to speak on the closure of the debate shall be accorded only to two speakers opposing the closure, after which the
motion shall be immediately put to the vote. If the General Conference is in favour of the closure, the presiding officer shall declare the closure of the debate. The presiding officer may limit the time to be allowed to speakers under this Rule.

Rule 61. Suspension or adjournment of meeting

During the discussion of any matter, a delegate may move the suspension or the adjournment of the meeting. Such motions shall not be debated, but shall be immediately put to the vote. The presiding officer may limit the time to be allowed to the speaker moving the suspension or adjournment of the meeting.

Rule 62. Order of procedural motions

Subject to Rule 56 of these Rules, the following motions shall have precedence in the following order over all other proposals or motions before the meetings:

(a) To suspend the meeting;
(b) To adjourn the meeting;
(c) To adjourn the debate on the item under discussion; and
(d) For the closure of the debate on the item under discussion.

Rule 63. Proposals and amendments

Proposals and amendments shall normally be introduced in writing and handed to the Director General who shall
circulate copies to all delegations. As a general rule and subject to Rule 67 of these Rules, no proposal shall be discussed or put to the vote unless its text has been distributed to all delegations not later than the day preceding the meeting. The presiding officer may, however, permit the discussion and consideration of amendments, or of motions as to procedure, even though these amendments or motions have not been distributed or have been distributed the same day.

**Rule 64. Decisions on competence**

Subject to Rule 62 of these Rules, any motion calling for a decision on the competence of the General Conference to adopt a proposal submitted to it shall be put to the vote before a vote is taken on the proposal in question.

**Rule 65. Withdrawal of proposals**

Any proposal may be withdrawn by its proposer at any time before voting upon it has commenced. A proposal which has thus been withdrawn may be reintroduced by any delegate.

**Rule 66. Reconsideration of proposals and amendments**

When a proposal or amendment has been adopted or rejected, it shall not be reconsidered at the same session unless the General Conference, by a two-thirds majority of the Members present and voting, so decides. Permission
to speak on a motion to reconsider shall be accorded only to two speakers opposing the motion, after which it shall be immediately put to the vote.

**Rule 67. Proposals involving expenditures**

A proposal involving expenditure by the Agency shall not be voted upon in the absence of a report from the Director General on the administrative and financial implications of the proposal and a report from the appropriate committee of the General Conference.

**XI. VOTING**

**Rule 58. Voting rights**

Each Member of the Agency shall have one vote in the General Conference.

**Rule 69. Two-thirds majority**

The following decisions of the General Conference shall require a two-thirds majority of the Members present and voting:

(a) A decision on any financial question;
(b) A decision on a proposal for amendment to the Statute;
(c) A decision, upon recommendation of the Board of Governors, to suspend any Member from the exercise of the privileges and rights of membership;
(d) A decision on amendments to proposals relating to matters referred to in this Rule and on parts of such proposals put to the vote separately; and
(e) A decision which, pursuant to Rules 15, 19, 66 and 102 of these Rules, requires a two-thirds majority of the Members present and voting.

Rule 70. Simple majority
Decisions of the General Conference on other questions, including the determination of additional questions or categories of questions to be decided by a two-thirds majority, shall be made by a majority of the Members present and voting.

Rule 71. Meaning of Members present and voting
For the purpose of these Rules, the phrase "Members present and voting" shall mean Members casting a valid affirmative or negative vote. Members who abstain from voting shall be considered as not voting.

Rule 72. Methods of voting
Except in elections to the Board of Governors, the normal method of voting shall be by show of hands. Any Member may request a vote by roll-call. The roll-call shall be taken in the English alphabetical order of the names of Members of the Agency entitled to vote, beginning with the Member whose name is drawn by lot by the presiding officer. Each
delegate present shall reply "yes" or "no" or "abstention". The result of the vote shall be inserted in the record of the meeting.

Rule 73. Conduct during voting

After the voting has commenced, no delegate shall interrupt the voting except on a point of order in connection with the actual conduct of the voting.

Rule 74. Explanation of vote

The presiding officer may permit Members to explain their votes, either before or after the voting, except when the vote is taken by secret ballot. The presiding officer may limit the time to be allowed for such explanations. The presiding officer shall not permit the proposer of a proposal or of an amendment to explain his vote on his own proposal or amendment.

Rule 75. Division of proposals and amendments

A delegate may move that parts of a proposal or of an amendment shall be voted on separately. If objection is made to the request for division, the motion for division shall be voted upon. Permission to speak on the motion for division shall be given only to two speakers in favour and two speakers against. If the motion for division is carried, those parts of the proposal or of the amendment which are subsequently approved shall be put to the vote as a whole. If all operative parts of the proposal or of the
amendment have been rejected, the proposal or the amendment shall be considered to have been rejected as a whole.

Rule 76. Voting on amendments

(c) When an amendment to a proposal is moved, the amendment shall be voted on first. When two or more amendments are moved to a proposal, the General Conference shall first vote on the amendment deemed by the presiding officer to be furthest removed in substance from the original proposal and then on the amendment next furthest removed therefrom, and so on, until all the amendments have been put to the vote. Where, however, the adoption of one amendment necessarily implies the rejection of another amendment, the latter amendment shall not be put to the vote. If one or more amendments are adopted, the amended proposal shall then be voted upon.

(b) A motion shall be considered an amendment to a proposal if it merely adds to, deletes from or revises part of that proposal.

Rule 77. Voting on proposals

If two or more proposals relate to the same question, the General Conference shall, unless it decides otherwise, vote on the proposals in the order in which they have been submitted. The General Conference may, after each vote on a proposal, decide whether to vote on the next proposal.
Rule 78. Equally divided votes

If a vote is equally divided in voting other than elections, the proposal voted upon shall be considered as not adopted.

XII. VOTING IN ELECTIONS

Rule 79. Secret ballot

Election of Members to the Board of Governors shall be by secret ballot. There shall be no nominations. Other elections shall be by secret ballot if ten or more Members request or if the presiding officer so decides.

Rule 80. Elections to fill one elective place

When only one elective place is to be filled and no candidate obtains in the first ballot the majority required, a second ballot shall be taken which shall be restricted to the two candidates who obtained the largest number of votes in the first ballot. If in the second ballot the votes are equally divided, the presiding officer shall decide between the candidates by drawing lots.

Rule 81. Elections to fill two or more elective places

When two or more elective places are to be filled at one time under the same conditions, those candidates obtaining in the first ballot the majority required shall be elected.
If the number of candidates obtaining the majority required is less than the number of elective places to be filled, there shall be not more than two ballots in respect of each elective place remaining to be filled. If in the first ballot for an unfilled elective place no candidate obtains the majority required, a second ballot shall be taken which shall be restricted to the two candidates who obtained the largest number of votes in the first ballot for that elective place. If in the second ballot for that elective place the votes are equally divided, the presiding officer shall decide between the candidates by drawing lots. A candidate who fails to be elected for any one elective place will be eligible for election to any other remaining elective place.

XIII. CONDUCT OF MEETINGS OF COMMITTEES AND OTHER SUBSIDIARY BODIES

Rule 82. Application of these Rules to committees and other subsidiary bodies

Subject to any decision of the General Conference and subject to these Rules, procedures governing the conduct of business in committees and other subsidiary bodies of the General Conference shall conform as far as is appropriate to the rules governing the conduct of business at plenary meetings of the General Conference.
XIV. ELECTIONS TO THE BOARD
OF GOVERNORS

Rule 83. Elective places to be filled

Before the General Conference at each regular session proceeds to elections to the Board of Governors, the presiding officer shall indicate to the General Conference those elective places on the Board which must be filled so as to ensure that after the end of that session the Board will be constituted in accordance with Article VI.A of the Statute.

Rule 84. Balloting

There shall be a single ballot in respect of all the elective places to be filled. The ballot paper shall specify those elective places which are to be filled in each geographical area or group of areas in the order that these areas or groups of areas are referred to in Article VI.A.2 of the Statute. However:

(a) If in this ballot a Member of the Agency receives the majority of votes required for election in respect of more than one elective place, the Member shall be considered elected to whichever of these elective places appears first on the ballot paper; or

(b) If after this ballot one or more elective places remain to be filled, further ballots shall be held, to which the provisions in Rule 80 or 81, as appropriate, shall apply.
Rule 85. Invalid votes

In elections to the Board of Governors invalid votes shall include those cast for a Member of the Agency:

(a) Whose term of office as a designated Member will begin after the end of the session at which the election is being held;

(b) Whose term of office as an elected Member will not expire at the end of the session in which the election is being held;

(c) Which is ineligible under Article VI.A.2(a) of the Statute for re-election; or

(d) Which is not in that area or group of areas referred to in Article VI.A.2 of the Statute in respect of which the election is being held.

Speeches made in any one of the working languages shall be interpreted into the other working languages.
Rule 87. Interpretation from other languages

Any delegate may make a speech in a language other than the working languages provided, however, that if he does so he shall himself provide for interpretation into one of the working languages. In such cases, interpretation into the other working languages by the interpreters of the Secretariat may be based on the interpretation provided by the delegate.

Rule 88. Languages of records and important documents

Summary records of meetings shall be prepared in the working languages. All resolutions and other important documents shall be made available in the working languages.

Rule 89. Records of plenary and committee meetings

(a) Summary records, in provisional form, of all plenary meetings of the General Conference and its committees shall be prepared by the Secretariat and distributed as soon as possible to all Members. Each Member shall inform the Secretariat in writing, not later than forty-eight hours after distribution, of any corrections it wishes to have made. The summary records, with such corrections incorporated, shall be distributed promptly to Members.

(b) Delegates may, on special occasions, request that their remarks made at a plenary meeting of the General
Conference be set forth verbatim in the record. Such requests may be made at any time not later than forty-eight hours after distribution in provisional form of the summary record of the plenary meeting at which the remarks were made and shall be accompanied by a text, in one of the working languages, of the remarks to which the request relates.

Rule 90. Records of other subsidiary bodies

The records of meetings of other subsidiary bodies of the General Conference shall be prepared in summary form, unless the General Conference decides otherwise, or unless the subsidiary body decides that no record shall be kept.

Rule 91. Distribution of resolutions and other important documents

The texts of all resolutions and other important documents shall be distributed by the Secretariat as soon as possible.

XVI. ADMISSION OF NEW MEMBERS

Rule 92. Consideration by the General Conference

A recommendation of the Board of Governors pursuant to Article IV.B of the Statute for the admission of a State to membership in the Agency shall be considered by the General Conference at its next regular session. If such a recommendation is made during a regular session of the
General Conference, it shall be considered during that session. A State whose application for membership has been recommended by the Board of Governors may attend any meeting of the General Conference at which its application is discussed, and may participate, without vote, in the discussion.

**Rule 93. Applicant State not recommended by the Board of Governors**

On notification from the Board of Governors that it does not recommend an applicant State for membership, the General Conference may refer the matter back to the Board of Governors, together with a full record of the discussion in the General Conference, for further discussion and recommendation or report.

**Rule 94. First budgetary contribution of a new Member**

A new Member shall make a contribution to the budget of the Agency for the year during which it becomes a Member. The amount of such contribution shall be determined by the General Conference at the session during which the State's application for membership is approved.

**Rule 95. Notification of decision**

The Director General shall inform a State applying for membership of the decision taken by the General Conference on its application.
Rule 96. Date of admission to membership

If an application for membership in the Agency is approved, the applicant State shall become a Member of the Agency upon the date on which it deposits an instrument of acceptance of the Statute with the Government of the United States of America.

XVII. AMENDMENT OF THE STATUTE

Rule 97. Proposal of amendments

Amendments to the Statute of the Agency may be proposed by any Member.

Rule 98. Consideration of amendments

No proposal for the amendment of the Statute of the Agency shall be considered by the General Conference unless certified copies of the text of the proposed amendment have been prepared by the Director General and sent by him to all Members at least ninety days in advance of the session concerned.

Rule 99. Approval of amendments

The General Conference shall not take a decision on any amendment to the Statute until it has considered the observations submitted by the Board of Governors on such amendment.
Rule 100. Modification of amendments

If the General Conference approves a substantive change or changes in a proposed amendment of the Statute, the revised amendment shall not be finally acted upon by the General Conference until at least ninety days after certified copies of the text of the revised amendment have been sent by the Director General to all Members of the Agency and the General Conference has considered the observations submitted by the Board of Governors on such revised amendment.

XVIII. AMENDMENT, SUSPENSION AND INTERPRETATION OF RULES

Rule 101. Amendment of Rules

These Rules may be amended, subject to the provisions of the Statute of the Agency and provided that the General Conference has received a report on such amendment from the appropriate committee, by a decision of the General Conference taken by a majority of the Members present and voting.

Rule 102. Suspension of Rules

Any of these Rules may be suspended, subject to the provisions of the Statute of the Agency, by a decision of
the General Conference taken by a two-thirds majority of
the Members present and voting.
