Twenty-third regular session

## ADVANCE GENERAL INFORMATION

1. In connection with the twenty-third regular session of the General Conference of the International Atomic Energy Agency (IAEA) which will commence on 4 December 1979 in New Delhi the Indian authorities have asked that Member States be reminded of the following:

### HEALTH REGULATIONS

2. The Government wishes to emphasize particularly that precautions regarding yellow fever should be strictly observed. Any person arriving without a valid certificate will be kept in isolation for a period of six days if he arrives within six days of departure from an infected area or has been in such an area in transit or has come by an aircraft which has been in an infected area and has not been disinfected.

3. It is therefore in the interest of all concerned to check on health requirements before arrival in India.
