

International Atomic Energy Agency

GENERAL CONFERENCE

GC(XXXV)/INF/293
19 July 1991

GENERAL Distr.
Original: ENGLISH

Thirty-fifth regular session

ADVANCE INFORMATION FOR DELEGATIONS

OPENING OF THE THIRTY-FIFTH REGULAR SESSION

1. The thirty-fifth regular session of the General Conference will open on Monday, 16 September 1991, at 10 a.m.^{1/} It will be held at the Kongresszentrum, Neue Hofburg, Heldenplatz, 1010 Vienna.^{2/}

2. Unless otherwise decided by the Conference, morning meetings will begin at 10 a.m. and afternoon meetings at 3 p.m. Delegates are requested to be in their places by those times in order to allow meetings to start punctually. If evening meetings prove to be necessary, the starting times will be announced during the session.

PRE-SESSION CONSULTATIONS

3. During the weekend preceding the opening of the Conference's session (Saturday, 14 September, and Sunday, 15 September 1991), facilities for group meetings are being made available on request at the Vienna International Centre (VIC)^{3/} on Saturday and during Sunday morning and at the Kongresszentrum during Sunday afternoon. Member States are strongly urged to avail themselves of those facilities with a view to achieving agreement on organizational matters (e.g. regarding the composition of the General Committee) before the session opens on Monday and thereby contributing to the smooth running of the Conference's session, ensuring - where necessary - that their representatives arrive in Vienna in time to participate in pre-session group meetings and the associated group decision-making. Meeting rooms should be reserved in good time through the Secretariat's Conference Service Section.

^{1/} The provisional agenda for the thirty-fifth regular session is contained in document GC(XXXV)/952.

^{2/} A booklet with plans of the Kongresszentrum, a traffic plan and information on the location of meeting rooms, offices and the various services will be issued before the Conference session opens.

^{3/} The Headquarters of the International Atomic Energy Agency, Wagramerstrasse 5, A-1400 Vienna (22nd district).

NOTIFICATION OF THE COMPOSITION OF DELEGATIONS

4. Governments are requested to communicate to the Secretariat the composition of their delegations well in advance. This should be done in writing - by letter or by completing the registration form which will be transmitted to Permanent Missions at the beginning of August 1991. Rule 23 of the Conference's Rules of Procedure^{4/} provides for each Member State of the Agency to be represented by one Delegate, who may be accompanied by as many assistants (alternates, advisers, etc.) as may be needed. The first list of members of delegations will be issued on Sunday, 15 September; it will contain information which has been communicated to the Secretariat before Friday, 13 September.

5. If, during the session, changes are required in the particulars provided at the time of registration, Delegates are requested to inform the Deputy Director in charge of Protocol in writing, so that the list of delegation members may be brought up to date.

CREDENTIALS OF DELEGATES

6. Each Delegate (but not other members of a delegation) will require credentials specifically for the session, even if he is already accredited to the Agency in some other capacity - for example, as Resident Representative. Credentials have to be delivered in due time; this helps to avoid difficulties, particularly for the General Committee. It is accordingly emphasized that, under Rule 27 of the Rules of Procedure, credentials should be submitted to the Director General not later than Monday, 9 September, issued either by the Head of State or Government or by the Minister for Foreign Affairs of the Member concerned. If credentials cannot be submitted by Friday, 13 September, Delegates should deliver them direct to the Credentials Officers at the Kongresszentrum either on Sunday, 15 September, between 2.30 p.m. and 6.30 p.m. or on the following Monday morning.

REGISTRATION FOR BADGES

7. Each participant will require a badge with a photograph for entry into the Kongresszentrum during the session. Badges will be issued by the staff at the Registration Desk to those designated participants who are not already in possession of a valid VIC ground pass. Badges issued for the General Conference will also be valid for entering the VIC.

8. Participants may register on Friday, 13 September, at the Agency's Registration Desk at the VIC between 9 a.m. and 5.30 p.m. and on Sunday, 15 September, between 2 p.m. and 6.30 p.m. at the Kongresszentrum. Registration will continue throughout the week of the Conference's session at the Registration Desk at the Kongresszentrum.

^{4/} GC(XXXI)/INF/245.

9. Participants also attending the meetings of the Board of Governors which start on 11 September 1991 may register simultaneously for both the Board's meetings and the Conference's regular session at the Agency's Registration Desk at the VIC between 8.30 a.m. and 10.30 a.m. on Wednesday, 11 September, provided that they inform the Secretariat of their intention to do so before Tuesday, 10 September.

DOCUMENTS

10. Each delegation is urged to visit the Documents Distribution Centre in room FM152 at the VIC not later than Friday, 13 September, and specify its requirements for documents on a form which will be provided for this purpose. If this is not possible, delegations should apply to the Documents Station at the Kongresszentrum either on Sunday, 15 September, between 2.30 p.m. and 6.30 p.m. or on the following Monday morning.

11. Before the opening of the session one complete set of the Conference documents already issued will be available to each delegation. All documents produced during the session, including the Conference Journal containing the daily programme, and other notices will also be available at the Documents Station at the Kongresszentrum.

12. Delegates wishing to submit draft resolutions or other documents to the Conference during the session are requested to provide the Conference Secretary or the appropriate Committee Secretary with the text as early as possible.

SPEAKERS IN THE GENERAL DEBATE

13. Until the beginning of the Conference's session on Monday, 16 September, requests for inscription on the list of speakers in the general debate should be made directly, either personally or in writing, to the Secretariat of the Policy-making Organs (VIC, room A 2871). As Member States were informed by document GC(XXXV)/INF/292, issued on 24 May 1991, inscription in the list of speakers started on 17 June 1991; a ballot was taken at 11 a.m. on that day in order to determine the order of priority among the Member States whose representatives had – between 10 a.m. and 11 a.m. – personally made a request for inscription in the list.^{5/} Since 11 a.m. on 17 June, Member States making requests for inscription in the list have been added in the order in which they made their requests. It should be noted, however, that the practice of giving priority to Ministers participating in the general debate will continue.

^{5/} This procedure was approved by the Conference in 1989.

14. Delegates who have not inscribed their names on the list by the beginning of the session but wish to speak in the general debate are requested to contact the official responsible for maintaining the speakers' list, who will have a desk in the Festsaal (where the plenary meetings will take place). Delegates should also contact that official if they wish to speak on other items at plenary meetings.

STATEMENTS IN THE GENERAL DEBATE

15. In order that the general debate may represent a more efficient use of the time available, Delegates are invited to keep the duration of their statements down to 15 minutes by focusing on the main points which they wish to make.

16. It would be greatly appreciated if the texts of statements to be delivered were handed to the Secretariat in advance. Copies of the full texts (in the original language) will, if Delegates so request, be made available to other Delegates during the session.

17. It is of considerable help if the texts of statements provided to the Secretariat are typed with double line spacing.

WORKING LANGUAGES AND INTERPRETATION

18. The working languages of the Conference are Arabic, Chinese, English, French, Russian and Spanish, and statements made in any one of these languages will be interpreted simultaneously into the others. If Delegates wish to make a speech in a language other than the working languages, they should, under Rule 87 of the Rules of Procedure, themselves arrange for interpretation into one of the working languages and provide the Secretariat with a written text of their speech in advance in that working language.

PLEDGES OF VOLUNTARY CONTRIBUTIONS TO THE TECHNICAL ASSISTANCE AND CO-OPERATION FUND FOR 1992

19. The Board of Governors has set a target of US\$ 52.5 million, subject to the Conference's approval, for Members' voluntary contributions to the Technical Assistance and Co-operation Fund for 1992. A circular letter indicating Member States' individual shares of the target (calculated on the basis of the base rates of assessment applicable for 1992) was addressed to Member States on 2 July 1991. Before the regular session opens, a document will be circulated for the purpose of notifying delegates of the contributions that

Members have pledged themselves to make.^{6/} It will be greatly appreciated if Governments facilitate the timely preparation of this document by communicating their pledges to the Director General as soon as they are in a position to do so. During the session, it will be possible to communicate pledges to the Contributions Officer, who will have a desk in the Festsaal and will arrange for updated versions of the document to be issued.

^{6/} The corresponding document of last year was GC(XXXIV)/934.

SPECIAL SCIENTIFIC PROGRAMME ORGANIZED IN CONJUNCTION WITH THE CONFERENCE'S SESSION

20. A special scientific programme^{7/} will be organized in conjunction with the Conference's thirty-fifth regular session. It will take place on 17 and 18 September in the Gartensaal at the Kongresszentrum and will be held in four half-day sessions.

MEETING OF SENIOR SAFETY OFFICIALS

21. The traditional meeting of senior safety officials^{8/} will be held on Thursday, 19 September. The meeting will be held in the Gartensaal at the Kongresszentrum.

RCA/ARCAL/AFRA MEETINGS

22. There will be group meetings in respect of the RCA, ARCAL and AFRA regional co-operative agreements: AFRA - 10 a.m., Tuesday, 17 September; RCA - 10 a.m., Wednesday, 18 September; and ARCAL - 3 p.m., Wednesday, 18 September. The meetings will be held in Room 201, on the Mezzanine of the Kongresszentrum.

TECHNICAL CO-OPERATION MEETINGS

23. Consultations will be held with representatives of Member States receiving Agency technical assistance. Where the Member States in question have Permanent Missions in Vienna, these will be informed of the meeting times and venues a week before the Conference session.

^{7/} Details of the special scientific programme are given in Annex 1 to this document.

^{8/} Details of the meeting of senior safety officials are given in Annex 2 to this document.

General Information

FACILITIES AT THE HOFBURG KONGRESSZENTRUM

1. Compared with the Austria Center Vienna (ACV), there will be fewer seats for delegations at plenary meetings. Also, as Member States have already been informed, it will not be possible to provide offices for delegations at the Kongresszentrum. Lastly, there are fewer rooms available for group meetings, and the parking space immediately in front of the Hofburg is not as extensive as that at the ACV.

ACCOMMODATION FOR DELEGATIONS

2. Hotels in Vienna are usually heavily booked during the month of September. It is therefore important to reserve accommodation as far in advance as possible. Delegates are advised to make their bookings either direct with the hotel or through their Permanent Mission or Embassy/Consulate in Vienna.

CURRENCY

3. Bank notes, travellers' cheques and letters of credit may be brought into Austria without restriction but, as not all currencies are in equal demand, a few may not be easily saleable. Departing visitors may take with them the foreign currency and securities they brought into the country and any amount in Austrian Schillings. It is, however, recommended that Conference participants keep the receipts relating to all major currency exchange transactions in case they need to re-exchange currencies on their departure from Austria.

PARKING

4. For official cars with chauffeurs, red stickers entitling the cars to be driven to the main entrance of the Kongresszentrum will be issued; for other cars blue stickers will be issued. Parking facilities will be available in front of the Kongresszentrum.

VIC COMMISSARY

5. In accordance with the Agreement between the International Atomic Energy Agency and the Austrian Government, the heads of delegations of Member States participating in the General Conference are entitled to commissary cards for the duration of the Conference's session.

6. Any questions in connection with the issuing of commissary cards to the heads of delegations should be directed to the Protocol Office.

RECEPTIONS AND OTHER EVENTS TAKING PLACE DURING THE CONFERENCE

7. The organizers or sponsors of receptions and other events to be arranged during the Conference are invited to contact the Protocol Office if they wish an announcement regarding such events to be included in the Conference Journal.

A N N E X 1

35TH IAEA GENERAL CONFERENCE

SPECIAL SCIENTIFIC PROGRAMME

SESSION I

17 September 1991

THE SAFETY AND PROSPECTS FOR
NUCLEAR POWER IN CENTRAL AND EASTERN EUROPE

Tuesday, 17 September (a.m.)

Session Ia: Prospects for Nuclear Power

Focus:

To provide an overview on the status and outlook of nuclear power programmes in countries in Central and Eastern Europe.

Structure:

1. Panel discussion by representatives from the Central and Eastern European countries that have nuclear power programmes.
2. Concluding remarks by the Chairman.

Coffee break

Tuesday, 17 September (a.m. and p.m.)

Session Ib: Safety Aspects of Nuclear Power

Focus:

To provide an overview on the safety aspects of some reactor types operating in Central and Eastern Europe and on some specific safety issues in the region.

Structure:

1. Main Findings of IAEA Project on Safety of WWER-440 model 230 Reactors
2. Safety of WWER-440 model 213 Reactors (Kriz, CSR)
3. Safety of WWER-1000 Reactors (USSR)
4. Political conflict and NPP safety (Yugoslavia)
5. Panel Discussion: Safety Co-operation with Central and Eastern European Countries (with participation from CEC, WANO, NEA/OECD and the World Bank)
6. Concluding remarks by the Chairman

SESSION II

Wednesday 18 September (a.m.)

IMPLICATION OF THE 1990 RECOMMENDATIONS OF THE INTERNATIONAL COMMISSION ON RADIOLOGICAL PROTECTION

Focus:

On the implication of the 1990 ICRP recommendations on nuclear power plants, mining industry, medical uses of radiation and radio-pharmaceuticals and on non-nuclear-power industry (e.g. construction, oil, fertilizers, and transport)

Structure:

1. The 1990 ICRP Recommendations
(Presentation of the Recommendations by an ICRP speaker)
2. The Implication of the ICRP Recommendations for Nuclear Power Plants
 - Presentation by Mr. R. Hock, Germany
 - Discussion
3. The Implication of the ICRP Recommendations for the Mining Industry
 - Presentation by Mr. Fry, Australia
 - Discussion
4. The Implication of the ICRP Recommendations for the Medical uses and Radio-pharmaceuticals
 - Presentation by Ms. Roberts, U.K.
 - Discussion
5. The Implication of the ICRP Recommendations for the non-nuclear-power industry
 - Presentation by Mr. Cunningham, USA
 - Discussion
6. Concluding remarks by the Chairman

SESSION III

Wednesday 18 September (p.m.)

**MAIN FINDINGS AND CONCLUSIONS OF THE
HELSINKI SENIOR EXPERT SYMPOSIUM ON ELECTRICITY AND THE ENVIRONMENT**

Focus:

To provide an overview of the principal findings and conclusions of the Symposium in relation to nuclear power's role in environmental issues, Agency's programme of work, continued co-operation with other organizations, and the United Nation Conference on Environment and Development.

Structure:

1. Findings and Conclusions of the Symposium (IAEA)
2. The Symposium and Follow-up Activities by the co-sponsoring Organizations
3. Discussion
4. Concluding remarks by the Chairman

A N N E X 2

35TH IAEA GENERAL CONFERENCE

**SCIENTIFIC PROGRAMME FOR NUCLEAR SAFETY AND
RADIATION PROTECTION REGULATORS**

Thursday, 19 September (full day)

1991 MEETING OF SENIOR SAFETY OFFICIALS

"AN INTERNATIONAL PRESENCE FOR NUCLEAR SAFETY AND RADIATION PROTECTION"

(Draft Programme)

Terms of Reference:

To discuss, informally and in a closed session, policy issues of international interest, including the need of an international presence for nuclear safety and radiation protection.

**SESSION 1
ELEMENTS FOR THE INTERNATIONAL PRESENCE**

- (i) **Report on IAEA Activities of Particular Interest**
- IAEA Safety Services
 - IAEA Safety Standards
 - Ad hoc Activities: The International Chernobyl Project and the Chernobyl Centre for International Research
- (ii) **Implications of the 1990 ICRP Recommendations for Regulatory Bodies**
- Presentation by M. Duncan, Atomic Energy Control Board, Canada
 - Panel Discussion
-

SESSION 2

EVOLUTION OF NUCLEAR SAFETY REGULATORY APPROACHES IN EUROPE

- Panel Discussion:

Co-operative activities of national regulatory bodies in Europe:
Regulatory developments in Eastern Europe, in particular,
national regulatory responses to the IAEA WWER 440 model 230
nuclear safety project.

SESSION 3

INTERNATIONAL PRESENCE FOR NUCLEAR SAFETY AND RADIATION PROTECTION: THE IAEA'S ROLE

- Panel Discussion

The IAEA's role for strengthening an international presence in
radiation protection and nuclear safety matters will be discussed.

TRAFFIC PLAN

GENERAL INFORMATION

To obtain **badges**, which should be worn visibly at all times while on the premises, delegates are requested to register at the **Registration Desk** upon arrival. Late credentials should be submitted to Protocol Office. **Heads of delegations** are entitled to **Commissary** privileges. Enquiries should be directed to the Protocol Office.

For inscribing of names in the **speakers' list** and for the pledging of **voluntary contributions**, delegates should contact the respective officers in the Zeremonienaal (ext. 610 and 644 respectively) or - during plenary meetings - in the Festsaal. In order to facilitate interpretation, advance texts of **speeches** should be handed to the Conference Officer in the Zeremonienaal (ext. 634) or in the Plenary.

Room reservations for group meetings: delegations may contact the Conference Officer or call ext. 634. Owing to limitations of space, no rooms are available for bilateral discussions.

The Conference Journal will be issued in all 6 conference languages every morning with the day's agenda, meeting places and times, notices and announcements and a forecast of the following day. For input please contact ext. 638 in the Zeremoniensaal. Press releases will be issued in English and French.

Documents station and delegations' pigeon holes: Vorsaal 8.30 - 18.30

The post office on the ground floor provides postal, telex, long-distance call and fax services. Fax facilities are also available at Public Information, on the ground floor.

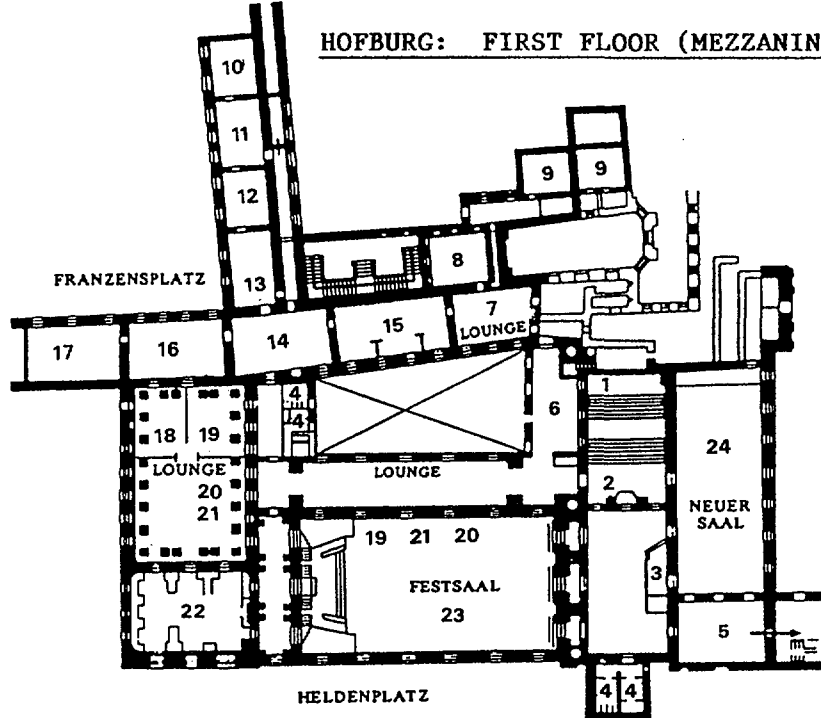

First aid station	ground floor	ext. 444 or 222
Bank	opening hours	9.00 - 18.30, ext. 218
Travel agent	" "	9.00 - 18.30, ext. 217
Restaurant/Coffee bar (Wintergarten)	Mon - Fri	8.30 until end of session.
	Sun	12.00 - 18.00

The Information Desk (ext. 666) will assist delegates with any queries they may have.

4 Press officers (ext. 233/242/243) will assist delegates in arranging press conferences, briefings and interviews.
