Thirty-seventh regular session
Item 13 of the provisional agenda
[GC(XXXVII)/1052]

SCALE OF ASSESSMENT OF MEMBERS' CONTRIBUTIONS FOR 1994

1. The Director General submits herewith to the General Conference a draft resolution whereby the Conference is requested to set, in accordance with Article XIV.D of the Statute, the scale of assessment of Members' contributions to the Agency's Regular Budget for 1994. The scale annexed to the draft resolution has been prepared in accordance with the principles established by the General Conference ^[1]. The scale is based on the Agency's membership as of 31 July 1993.

2. With regard to the scale annexed to the following draft resolution, 79 Members will receive partial relief in respect of their assessments for the safeguards component of the Regular Budget; these Members' individual assessments for the safeguards component will be increased by 4.8 per cent, which represents the price increase percentage on which the Regular Budget estimates for 1994 are based ^[2]. The remaining 35 Members will continue to contribute on an increased basis as set forth in Table 3 of the Appendix hereto.

^[1] See resolutions GC(III)/RES/50, GC(XXI)/RES/351, GC(XXVII)/RES/416, GC(XXXIII)/RES/512 and GC(XXXVI)/RES/589.

^[2] See document GC(XXXVII)/1062, "The Agency's Budget for 1994", Annex IV, draft resolution A.

3. It will be noted that the following draft resolution provides for approval by the General Conference of the base rate of assessment of each Member. This has been derived from the scale which has been used by the United Nations to assess contributions from its Members to its Regular Budget for 1993. The 1993 scale of the United Nations is based on the 1992-94 scale adopted by General Assembly resolution 46/221A in December 1991 which was revised by General Assembly decision 47/456 in December 1992. The revisions made to the 1992-94 United Nations scale included major changes relating to Member States previously covered by the membership of the former Union of Soviet Socialist Republics (USSR) and of the former Socialist Federal Republic of Yugoslavia. The revised 1993 scale of the United Nations is adjusted by applying a mathematical coefficient to compensate for differences in membership between the Agency and the United Nations.

4. Following the dissolution of Czechoslovakia on 31 December 1992, the Czech Republic and the Slovak Republic applied for membership to the Agency on 10 February 1993 and 11 January 1993 respectively. Their applications were considered by the Board of Governors at its February session and have been submitted to the General Conference for approval at its forthcoming session [GC(XXXVII)/1054 and GC(XXXVII)/1053]. Should their membership be approved, it is proposed that their respective assessments for the year in which they become Members of the Agency be derived from the rates determined for each of them by the United Nations later this year.

5. The calculations that were made in order to establish both the individual base rates and the resulting scale of assessment are reproduced for the information of the Conference in the attached Appendix.

6. Member States are urged to inform the Director General by 1 January 1994 as to when their Regular Budget contributions will be paid to the Agency. This information is required to enable the Secretariat to prepare cash forecasts on the basis of which the programme will be implemented.

Draft resolution

SCALE OF ASSESSMENT OF MEMBERS' CONTRIBUTIONS FOR 1994

The General Conference,

Applying the principles it has established for the assessment of Members' contributions towards the Agency's Regular Budget ^[*],

1. Decides that the individual base rates and the resulting scale of assessment of Members' contributions to the Agency's Regular Budget for 1994 shall be as set forth in the Annex hereto; and
2. Determines, pursuant to Financial Regulation 6.08 ^[**], that in the event of a State becoming a Member of the Agency during the remainder of 1993 or in 1994 it shall be assessed as appropriate:
 - (a) For an advance or advances to the Working Capital Fund, in accordance with Financial Regulation 7.03 ^[***]; and
 - (b) For a contribution or contributions towards the Agency's Regular Budget, in accordance with the principles the Conference has established for that purpose.
3. Decides that in the event of the Czech Republic and the Slovak Republic becoming Members of the Agency during the remainder of 1993 or in 1994, the Director General is authorized to determine the amount of their contributions on the basis of the rate determined by the United Nations for each of them later this year.

[*] By resolutions GC(III)/RES/50, GC(XXI)/RES/351, GC(XXVII)/RES/416, GC(XXXIII)/RES/512 and GC(XXXVI)/RES/589.

MEMBERS' CONTRIBUTIONS TO THE AGENCY'S REGULAR BUDGET FOR 1994

The computation of the individual Regular Budget assessments

1. As a first step in computing the individual Regular Budget assessments, the Agency's Regular Budget for 1994 is divided into a "non-safeguards" component and a "safeguards" component ^[1]. The total assessment proposed is \$ 25 782 000 plus the equivalent in United States dollars of AS 2 111 769 000, which, at an exchange rate of AS 12.70 to \$ 1.00, amounts to \$ 192 063 000 ^[2]. Of this total the "non-safeguards" component amounts to \$ 15 599 000 plus the equivalent in United States dollars of AS 1 376 198 000 and the "safeguards" component to \$ 10 183 000 plus the equivalent in United States dollars of AS 735 571 000. (The latter component consists of the appropriation specifically proposed for safeguards less income of \$ 500 000 which it is estimated will be received from non-member States during 1994.)

2. The next step is to derive a base rate of assessment for each Member of the Agency on the basis of the scale used by the United Nations to assess contributions from its Members to its budgets for the years 1992-1994 ^[3]. This is done in Table 1.

^[1] See resolution GC(XXVII)/RES/416.

5. It will be noted that the total amount of the safeguards assessment of the 79 Members listed in Table 2 has been increased to \$ 838 020. The difference is due to the inclusion of two new Member States into the scale of assessment and the price increase of 4.8 per cent on which the Regular Budget estimates for 1994 are based. The remaining amount is borne by 35 Members, the share of each Member being calculated as shown in Table 3.
