

International Atomic Energy Agency

GENERAL CONFERENCE

GC(XXXVIII)/9
5 August 1994

GENERAL Distr.
Original: ENGLISH

Thirty-eighth regular session
Item 13 of the provisional agenda
[GC(XXXVIII)/1]

SCALE OF ASSESSMENT OF MEMBERS' CONTRIBUTIONS FOR 1995

1. The Director General submits herewith to the General Conference a draft resolution whereby the Conference is requested to set, in accordance with Article XIV.D of the Statute, the scale of assessment of Members' contributions to the Agency's Regular Budget for 1995. The scale annexed to the draft resolution has been prepared in accordance with the principles established by the General Conference ^[1]. The scale, which is based on the Agency's membership as of 31 July 1994, includes eight new States, namely, Armenia, Czech Republic, Kazakhstan, Lithuania, The former Yugoslav Republic of Macedonia, Marshall Islands, Slovak Republic and Uzbekistan that became Members since September 1993 and excludes the Democratic People's Republic of Korea, which withdrew on 13 June 1994.

2. With regard to the scale annexed to the following draft resolution, 86 Members will receive partial relief in respect of their assessments for the safeguards component of the Regular Budget; these Members' individual assessments for the safeguards component will be increased by 5.4 per cent, which represents the price increase percentage on which the Regular Budget estimates for 1995 are based ^[2]. The remaining 35 Members will continue to contribute on an increased basis as set forth in Table 3 of the Appendix hereto.

^[1] See resolutions GC(III)/RES/50, GC(XXI)/RES/351, GC(XXVII)/RES/416, GC(XXXIII)/RES/512 and GC(XXXVI)/RES/589.

^[2] See document GC(XXXVIII)/5, "The Agency's Programme and Budget for 1995 and 1996", Annex VI, draft resolution A.

3. It will be noted that the following draft resolution provides for approval by the General Conference of the base rate of assessment of each Member. This has been derived from the scale which has been used by the United Nations to assess contributions from its Members to its Regular Budget for 1994. The 1994 scale of the United Nations is based on the 1992-94 scale adopted by General Assembly resolution 46/221 in December 1991 which was revised by General Assembly decision 47/456 in December 1992, and General Assembly resolution 48/223 in December 1993. The revised 1994 scale of the United Nations is adjusted by applying a mathematical coefficient to compensate for differences in membership between the Agency and the United Nations.

4. The calculations that were made in order to establish both the individual base rates and the resulting scale of assessment are reproduced for the information of the Conference in the attached Appendix.

5. Member States are urged to inform the Director General by 1 January 1995 as to when their Regular Budget contributions will be paid to the Agency. This information is required to enable the Secretariat to prepare cash forecasts on the basis of which the programme will be implemented.

Draft resolution

SCALE OF ASSESSMENT OF MEMBERS' CONTRIBUTIONS FOR 1995

The General Conference,

Applying the principles it has established for the assessment of Members' contributions towards the Agency's Regular Budget ^[*],

1. Decides that the individual base rates and the resulting scale of assessment of Members' contributions to the Agency's Regular Budget for 1995 shall be as set forth in the Annex hereto; and
2. Determines, pursuant to Financial Regulation 6.08 ^[**], that in the event of a State becoming a Member of the Agency during the remainder of 1994 or in 1995 it shall be assessed as appropriate:
 - (a) For an advance or advances to the Working Capital Fund, in accordance with Financial Regulation 7.03 ^[***]; and
 - (b) For a contribution or contributions towards the Agency's Regular Budget, in accordance with the principles the Conference has established for that purpose.

[*] By resolutions GC(III)/RES/50, GC(XXI)/RES/351, GC(XXVII)/RES/416, GC(XXXIII)/RES/512 and GC(XXXVI)/RES/589.

[**] INFCIRC/8/Rev.1.

[a] The base rate for Yugoslavia is that approved by the General Assembly of the United Nations for 1994 in accordance with the Agency's assessment principles. The inclusion of Yugoslavia does not prejudice future developments concerning the membership of Yugoslavia.

[b] See document GC(XXXVIII)/5, "The Agency's Programme and Budget for 1995 and 1996", Annex VI, draft Resolution A.

A P P E N D I X

MEMBERS' CONTRIBUTIONS TO THE AGENCY'S REGULAR BUDGET FOR 1995

The computation of the individual Regular Budget assessments

1. As a first step in computing the individual Regular Budget assessments, the Agency's Regular Budget for 1995 is divided into a "non-safeguards" component and a "safeguards" component ^[1]. The total assessment proposed is US\$ 32 282 000 plus the equivalent in United States dollars of AS 2 164 347 000, which, at an exchange rate of AS 12.70 to US\$ 1.00, amounts to US\$ 202 703 000 ^[2]. Of this total the "non-safeguards" component amounts to US\$ 19 607 000 plus the equivalent in United States dollars of AS 1 407 808 000 and the "safeguards" component to US\$ 12 675 000 plus the equivalent in United States dollars of AS 756 539 000. (The latter component consists of the appropriation specifically proposed for safeguards less income of US\$ 500 000 which it is estimated will be received from non-member States during 1995.)

2. The next step is to derive a base rate of assessment for each Member of the Agency on the basis of the scale used by the United Nations to assess contributions from its Members to its budget for the year 1994 ^[3]. This is done in Table 1.

^[1] See resolution GC(XXVII)/RES/416.

^[2] See document GC(XXXVIII)/5, "The Agency's Programme and Budget for 1995 and 1996", Annex VI, draft resolution A.

^[3] See General Assembly Resolution 46/221 as revised by General Assembly Decision 47/456, and General Assembly Resolution 48/223.

Zambia	0.01		0.01
Zimbabwe	0.01		0.01
TOTAL	98.42	1.17	100.00

[a] See General Assembly Resolution 46/221 as revised by General Assembly Decision 47/456, and General Assembly Resolution 48/223.

[b] In certain cases the coefficient is not applied – see paragraph 3 below.

3. It will be seen from the end of the foregoing table that the United Nations percentage assessments for Members of the Agency that were also Members of the United Nations amount to 98.42 per cent, and that the United Nations rates of assessment for the other Members of the Agency amount to 1.17 per cent. The total figure of 99.59 per cent, obtained by adding these two percentages, is multiplied by a coefficient to establish the base rates of assessment for all Member States of the Agency which will give a total of 100.00 per cent. In accordance with the principles established by the General Conference ¹⁴⁾, however, the coefficient is not applied in the case of the Member bearing the highest United Nations assessment, nor of the 38 Members each bearing the lowest United Nations assessment. The coefficient is therefore calculated as follows:

	<u>United Nations percentage assessments</u>	<u>Agency base rate of assessment</u>
Total	99.59	100.00
Less: For the Member bearing the highest assessment	25.00	25.00
For the 38 Members bearing the lowest assessment (38 x 0.01)	<u>0.38</u> (<u>25.38</u>)	<u>0.38</u> (<u>25.38</u>)
Totals for calculation of the coefficient	74.21	74.62
Coefficient	$\frac{74.62}{74.21} = 1.00552$	

4. It is now necessary to determine the respective shares of the safeguards component to be borne by the Members qualifying to receive partial relief in respect of their assessment for the safeguards component of the Regular Budget in accordance with the revised arrangements as set forth in resolutions GC(XXVII)/RES/416, GC(XXXIII)/RES/512 and GC(XXXVI)/RES/589. The following list shows the Member States qualifying to receive partial relief and the dollar amount borne by each Member State.

¹⁴⁾ See resolution GC(III)/RES/50, sub-paragraph (a) of the operative paragraph.

Table 2

Member	Required share of safeguards expenses in 1995 (\$)	Member	Required share of safeguards expenses in 1995 (\$)

5. It will be noted that the total amount of the safeguards assessment of the 86 Members listed in Table 2 has been increased to US\$ 947 874. The difference is due to the inclusion of eight new Member States into, and the withdrawal of one Member State from the scale of assessment, and the price increase of 5.4 per cent on which the Regular Budget estimates for 1995 are based. The remaining amount is borne by 35 Members, the share of each Member being calculated as shown in Table 3.

6. Each Member's share in the non-safeguards component is calculated by applying its base rate of assessment to the total non-safeguards component.

7. For the convenience of Member States, Table 4 shows each Member's share in the non-safeguards and the safeguards component, as well as the resulting total assessment and percentage assessment.

Table 4
