Forty-first regular session
Item 13 of the provisional agenda
(GC(41)/1)

MEASURES TO STRENGTHEN INTERNATIONAL CO-OPERATION IN NUCLEAR, RADIATION AND WASTE SAFETY

Corrigenda

1. On page 2 of Annex C-1 to Part C of the Attachment, the bullet point beginning “the strengthening of programmes for radiation protection of the public...” should read:

- “• the strengthening of programmes for radiation protection of the public and of the environment;
- the strengthening of programmes for the protection of patients exposed to radiation for medical diagnosis and treatment purposes; and”

2. In Annex C-4 to Part C of the Attachment, the following paragraph should be added after paragraph 2 (“A Regional ... home countries.”):

“A Regional Post-Graduate Educational Course in Radiation Protection and Nuclear Safety (in Spanish), sponsored by the Agency, is being held in Buenos Aires, Argentina, from April to November 1997.”
