Dear Dr. ElBaradei,

Article XIV of the Statute

I would appreciate it if, pursuant to the requirements of Article XVIII.A of the Statute, certified copies of this amendment are circulated to all Member States of the Agency without delay.

With best wishes,

Yours sincerely,

**MODIFICATION BY SLOVENIA TO THE PROPOSAL SUBMITTED BY JAPAN
FOR AMENDMENT TO ARTICLE VI OF THE STATUTE**

In the text of paragraph K in Part II of the proposal submitted by Japan for amendment of Article VI of the Statute and communicated by the Director General to Member States on 22 June 1998 (Circ. Letter N5.11.6 Circ), make the following changes:

In the first sentence, replace "1998" with "1999", and replace "a two-thirds majority" with "ninety percent". In the second sentence, replace the phrase which currently follows the words "in both cases", with the new phrase "by ninety percent of those present and voting and only after a consensus on the proposed change is reached within any area affected by the change".

EXPLANATORY NOTE:

The text of paragraph K, as modified, would read as follows:

"K. The provisions of paragraph A of this Article, as approved by the General Conference on .. 1999, shall enter into force when the requirements of Article XVIII.C are met and the General Conference confirms a list of all Member States of the Agency which has been adopted by the Board, in both cases by ninety percent of those present and voting, whereby each Member State is allocated to one of the areas referred to in sub-paragraph 1 of paragraph A of this Article. Any change to the list thereafter may be made by the Board with the confirmation of the General Conference, in both cases by ninety percent of those present and voting and only after a consensus on the proposed change is reached within any area affected by the change."

On behalf of the Director General of the International Atomic Energy Agency, I, Larry D. Johnson, Director of the Legal Division of the Secretariat, hereby certify that the foregoing is a true copy of the text of a modification submitted by Slovenia to the proposal submitted by Japan pursuant to Article XVIII.A of the Statute for amendment to Article VI thereof, previously communicated by Note N5.11.6 Circ. dated 22 June 1998.
