Fifty-first regular session

Item 12 of the agenda
(GC(51)/22)

Amendment to Article XIV.A of the Statute

Decision adopted on 20 September 2007 during the seventh plenary meeting

The General Conference recalls its resolution GC(43)/RES/8, which approved an amendment to Article XIV.A of the Agency's Statute permitting the establishment of biennial budgeting, and its decisions GC(49)/DEC/13 of 30 September 2005 and GC(50)/DEC/11 of 22 September 2006.

The General Conference notes that, in accordance with Article XVIII.C (ii) of the Statute, two-thirds of all the members of the Agency will have to accept the amendment in order for it to enter into force, but also notes that as of 20 August 2007 only 40 Member States had deposited instruments of acceptance with the depositary Government. For this reason, the General Conference encourages and urges Member States that have not yet deposited an instrument of acceptance of this amendment to do so as soon as feasible in order to allow the benefits of biennial budgeting to be attained. This would permit the Agency to come into line with the virtually universal practice among UN organizations of biennial budgeting.

The General Conference requests the Director General to draw the attention of the governments of Member States to this issue, to submit to the Conference at its 52nd regular session a report on the progress made towards the entry into force of this amendment and to include in the provisional agenda for that session an item entitled "Amendment to Article XIV.A of the Statute".
