# Board of Governors General Conference

GOV/2017/30/Corr.1-GC(61)/12/Corr.1

Date: 4 September 2017

General Distribution

English

## For official use only

Item 5 of the Board's provisional agenda

(GOV/2017/33)

Item 18 of the Conference's provisional agenda

(GC(61)/1, Add.1, Add.2 and Add.3)

# Strengthening the Agency's Activities related to Nuclear Science, Technology and Applications

## Corrigenda

1. In the first sentence of paragraph 5, Annex 4, replace “leadership and management development and transition, through to retirement” with “development of leadership and of management, and the transition through to retirement”.
2. In paragraph 6, Annex 4, delete “before the end of 2017” from the last sentence and add the following footnote to this paragraph: “This relates to operative paragraphs 5 and 6 of resolution GC(60)/RES/12.B.1.”
3. In the fifth sentence of paragraph 43, Annex 4, replace “15 observers” with “13 observers” in connection with the TWG-LMNPP February 2017 meeting.
4. The beginning of the sixth sentence of paragraph 2, Annex 5, should read “Cooperation continued under INPRO on limited scope NESAs for specific liquid metal cooled reactor designs ...”.
5. In paragraph 8, Annex 5, the title of the first publication should read “*Opportunities for Cogeneration with Nuclear Energy*”.
6. In paragraph 20, Annex 5, the fourth sentence should read “The topical sessions provided opportunities for participants from countries with established national nuclear power programmes and countries embarking on nuclear power programmes to share information on their experiences as well as to identify needs and challenges to be addressed in order to enable the nuclear power industry to be more competitive in the energy market.”
7. In paragraph 20, Annex 5, “(to be reviewed end of by July 10 2017)” should be deleted but the footnote retained.
8. Paragraph 6, Annex 7, should read “A study on the applicability of IAEA Safety Standards Series No. SSR 2/1 for water cooled and gas cooled SMR designs was carried out by the Agency. Two consultancy meetings on the IAEA TECDOC “*Study on the Applicability of Specific Safety Requirements (SSR) 2/1 on Design to SMRs*” were held on 20-24 February 2017 and on 12-16 June 2017 respectively. The TECDOC will provide Member States with ...”.
9. In paragraph 8, Annex 7, the second sentence should read “The publication has the key objectives to provide a review of current progress related to SMRs under construction and share lessons learned;

and to present several ‘model’ roadmaps for SMRs that Member States can adopt as a reference for strategic pathways in their national programmes on energy for electricity generation.”

10. The following footnotes should be added:

- a) At the end of paragraph 7, Annex 4: “This relates to operative paragraph 7 of resolution GC(60)/RES/12.B.1 and operative paragraph 19 of resolution GC(60)/RES/12.B.4.”
- b) At the end of paragraph 9, Annex 4: “This relates to operative paragraph 8 of resolution GC(60)/RES/12.B.1.”
- c) At the end of paragraph 38, Annex 4: “This relates to operative paragraphs 2 and 4 of resolution GC(60)/RES/12.B.2.”
- d) At the end of paragraphs 4 to 10, Annex 5: “This relates to operative paragraph 5 of resolution GC(60)/RES/12.B.4.”
- e) At the end of paragraph 17, Annex 5: “This relates to operative paragraph 14 of resolution GC(60)/RES/12.B.4.”
