**Sixty-eighth regular session**

Item 12 of the provisional agenda  
(GC(68)/1 and Add.1)

## Scale of Assessment of Member States' Contributions towards the Regular Budget for 2025

1. The Director General hereby submits to the General Conference a draft resolution by means of which the Conference may set, in accordance with Article XIV.D of the Statute, the scale of assessment of Member States' contributions to the Agency's Regular Budget for 2025. The scale in Annex 1 of the attached draft resolution has been prepared in accordance with the principles and arrangements established by the General Conference<sup>1</sup>. The scale is based on the Agency's membership as of the date of this document, which includes one new Member State compared to last year.
2. The draft resolution also provides for approval by the General Conference of the base rate of assessment of each Member State. This has been derived from the scale used by the United Nations to assess contributions from its Member States to its Regular Budget for 2024 and was adopted by the General Assembly in resolution A/RES/76/238. The 2024 scale of the United Nations was then adjusted by applying a mathematical coefficient to compensate for differences in membership between the Agency and the United Nations.
3. The scale of assessment in Annex 1 of the attached draft resolution is based on the base rate and takes into account the fact that the shielding, or partial relief, for safeguards assessments began to be phased out in accordance with resolution GC(47)/RES/5 for some Member States in 2008 (hereinafter referred to as "shielded" Member States). Twenty-five Member States are referred to as "Member States participating at the base rate" (see Table 3 in the Appendix) and 121 Member States are referred to as "shielded" Member States (see Tables 4 to 6 in the Appendix). The scale also takes into account the fact that the remaining 32 Member States (hereinafter referred to as "unshielded" Member States) will contribute on a proportionally increased basis in order to make up the balance of the safeguards expenses (see Table 7 in the Appendix).

---

<sup>1</sup> See resolution GC(III)/RES/50 as amended by resolution GC(XXI)/RES/351, and resolution GC(39)/RES/11 as amended by resolutions GC(44)/RES/9 and GC(47)/RES/5.

4. The calculations that were made in order to establish both the individual base rates and the resulting scale of assessment are reproduced in the Appendix for the information of the Conference.

5. Under Financial Regulation 5.05, assessed contributions and advances to the Working Capital Fund shall be considered due and payable in full within thirty days of the receipt of the Director General's communication requesting payment of such contributions and advances, or as of the first day of the financial year to which they relate, whichever is the later. Member States are urged to inform the Director General by 1 January 2025 as to when their Regular Budget contributions will be paid to the Agency. This information is required to enable the Secretariat to prepare cash forecasts on the basis of which the Agency's programme will be implemented.

Draft resolution

## Scale of Assessment of Member States' Contributions towards the Regular Budget for 2025

The General Conference,

Applying the principles it has established for the assessment of Member States' contributions towards the Agency's Regular Budget<sup>[\*]</sup>,

1. Decides that the individual base rates and the resulting scale of assessment of Member States' contributions to the Agency's Regular Budget for 2025 shall be as set forth in Annex 1 hereto; and
2. Determines, pursuant to Financial Regulation 5.09<sup>[\*\*]</sup>, that in the event of a State becoming a Member of the Agency during the remainder of 2024 or in 2025 it shall be assessed as appropriate:
  - (a) For an advance or advances to the Working Capital Fund, in accordance with Financial Regulation 7.04<sup>[\*\*]</sup>; and
  - (b) For a contribution or contributions towards the Agency's Regular Budget, in accordance with the principles and arrangements the Conference has established for the assessment of Member States for such contributions.

---

<sup>[\*]</sup> By resolution GC(III)/RES/50 as amended by resolution GC(XXI)/RES/351, and resolution GC(39)RES/11 as amended by resolutions GC(44)/RES/9 and GC(47)/RES/5.

<sup>[\*\*]</sup> INFCIRC/8/Rev.4.

## A p p e n d i x

# Member States' Contributions towards the Regular Budget for 2025

### The computation of the individual Regular Budget assessments

1. As a first step in computing the individual Regular Budget assessments, the Agency's Regular Budget for 2025 is divided into a **safeguards component** and a **non-safeguards component**<sup>2</sup> as described below:

- (a) The safeguards component amounts to €146 486 036 plus US \$26 294 318 (€172 780 354 at an exchange rate of \$1.00 to €1.00). The basis for the calculation of the safeguards component is shown in **Table 1**. As can be seen from the table, this component comprises the budgetary requirements for the operational and capital portions for Major Programme 4 (Nuclear Verification). Table 1 also shows the distribution of the safeguards assessment between contributions of "Member States participating at the base rate" as well as for "shielded" and "unshielded" Member States.
- (b) The non-safeguards component refers to all other programmes and amounts to €231 781 447 plus US \$34 411 400 (€266 192 847<sup>3</sup> at an exchange rate of \$1.00 to €1.00).

Adding these two components, the total assessment proposed amounts to €378 267 483 plus US \$60 705 718, which, at an exchange rate of \$1.00 to €1.00, amounts to €438 973 201.

2. The next step is to derive a base rate of assessment for each Member State of the Agency on the basis of the scale used by the United Nations to assess contributions from its Member States to its Regular Budget for the year 2024<sup>4</sup>.

3. As will be seen from **Table 2**, the United Nations percentage assessments for Member States of the Agency that are also Member States of the United Nations amount to 99.959% and the United Nations rate of assessment for the Member State of the Agency that is not a Member State of the United Nations amounts to 0.001%. The total figure of 99.960%, obtained by adding these two percentages, is multiplied by a coefficient to establish the base rates of assessment for all Member States of the Agency, which will give a total of exactly 100%. In accordance with the principles established by the General Conference<sup>5</sup>, however, the coefficient is not applied in the case of the Member State bearing the highest United Nations assessment or of the Member States bearing the lowest United Nations assessment, of which there are 20 as of the date of this document. The coefficient is therefore calculated as follows:

---

<sup>2</sup> See resolution GC(39)/RES/11, as amended by resolutions GC(44)/RES/9 and GC(47)/RES/5.

<sup>3</sup> See document GC(68)/5, *The Agency's Budget Update for 2025*, Annex. Draft Resolutions for 2025. This amount excludes revenues deriving from Reimbursable Work for Others and other Miscellaneous Income as shown in paragraph 2 of Annex. Draft Resolution for 2025, Regular Budget Appropriations for 2025 in document GC(68)/5.

<sup>4</sup> See General Assembly Resolution A/RES/76/238.

<sup>5</sup> See resolution GC(III)/RES/50, subparagraph (a) of the operative paragraph.

	United Nations <u>percentage assessments</u>	Agency <u>base rate of assessment</u>
Total	99.960	100.000
Less: For the Member State bearing the highest assessment	22.000	25.000
For the 20 Member States bearing the lowest assessment (20 x 0.001)	<u>0.020</u> (22.020)	<u>0.020</u> (25.020)
Totals for calculation of the coefficient	77.940	74.980
Coefficient	$\frac{74.980}{77.940} = 0.9620221$	

4. It is now necessary to determine the respective shares of the **safeguards component** to be borne by the “shielded” Member States. In accordance with the revised arrangements for the assessment of Member States’ contributions towards the safeguards component of the Agency’s Regular Budget set forth in subparagraph 1(c)(i) of General Conference resolution GC(39)/RES/11, as amended by subparagraph B.(iii) of resolution GC(44)/RES/9 and by resolution GC(47)/RES/5, the phasing-out of the current shielding system began in 2006 and, in accordance with that system, the percentages of the “shielded” Member States’ base rates will gradually increase to contribute towards the actual amounts budgeted for the safeguards component (see **Table 1**).

5. As 22 Member States that are not least developed countries joined the Agency after the de-shielding process began, these Member States’ shares to the safeguards component, together with three Member States’ shares that were in shielded Category 1, for which the de-shielding period ended in 2012, have been computed at their full base rates, as shown in **Table 3**.

6. In accordance with subparagraph 1(d)(i) of General Conference resolution GC(39)/RES/11, as amended by resolutions GC(44)/RES/9 and GC(47)/RES/5, the “shielded” Member States were divided into four categories. The Member States in each category will have their annual contributions to the safeguards component increased proportionally each year until the end of the de-shielding period, which for Category 1 was 7 years, for Category 2 was 12 years, for Category 3 was 17 years and for Category 4 is 25 years. The respective shares of the Member States in Category 2, Category 3 and Category 4 are determined by applying 100%, 100% and 86% of their base rate, respectively, to the safeguards component. The de-shielding period for the “shielded” Member States in Category 2 ended in 2019 and for Member States in Category 3 ended in 2024. This information is provided in **Table 4**, **Table 5** and **Table 6**.

7. The remaining safeguards expenses are borne by 32 “unshielded” Member States, as shown in **Table 7**. Columns (3) and (4) of Table 7 show the amounts that have to be paid by each “unshielded” Member State as a result of proportionally increasing their required share in the balance of the safeguards component in such a way that the total contributions make up the balance of the safeguards assessment.

8. Each Member State’s share in the **non-safeguards component** is calculated by applying its base rate of assessment to the total non-safeguards component.

9. For the convenience of Member States, **Table 8** shows each Member State’s share in the non-safeguards and the safeguards components, as well as the resulting **total assessment and percentage assessment**.
