To All Missions (Embassies, Consular posts and International Organizations in Japan)

Provision of comprehensive information regarding the events and highlights on the progress related to recovery operations at Fukushima Daiichi Nuclear Power Station on IAEA's webpage

The Ministry of Foreign Affairs wishes to inform all Missions that in addition to the past efforts to share information to the international society, in order to strengthen such effort, the Government of Japan started to provide to IAEA comprehensive information regarding the events and highlights on the progress related to recovery operations at Fukushima Daiichi Nuclear Power Station (NPS). Once provided to IAEA, this information would be uploaded on the IAEA's webpage together with the IAEA's assessment on the aspects presented in the information. The information as of December 20th, 2013 is already uploaded in the following link:

<http://www.iaea.org/newscenter/news/2013/recoveryoperations201213.pdf>

This information will properly be updated and shared with the international society through IAEA.

The same information is also available on the Ministry of Foreign Affairs' webpage as well as on the webpage of Prime Minister of Japan and His Cabinet.
