An amendment to Annex II

On 17 June 1960 the Board of Governors amended Annex II, part B, paragraph 4 to the Provisional Staff Regulations of the Agency to read:

"4. The Director General shall establish rules by which an extra payment may be made to a staff member in the General Service category who passes an appropriate test and demonstrates continued proficiency in the use of either two or more official languages, or in one official language and in the language of his duty station if that language is not his mother tongue. Such payment shall be equivalent to an additional step increment and may extend beyond the maximum salary of the grade of the staff member concerned."
