THE PROVISIONAL STAFF REGULATIONS OF THE AGENCY

Amendment to Regulation 5.04(a)

On 20 February 1973 the Board of Governors approved the substitution of the figure "1500" for "1000" in the second sentence of Provisional Staff Regulation 5.04(a) as set forth in document INFCIRC/6/Rev.2/Mod.1, thus amending that Regulation to read as follows:

(a) The Director General shall establish terms and conditions under which an education grant shall be available to a staff member serving outside his recognized home country, with respect to each dependent child under the age of twenty-one who is in full-time attendance at a school, university, or similar educational institution of a type which will, in the opinion of the Director General, facilitate the child's re-assimilation in the staff member's recognized home country. The maximum amount of the grant shall be US \$1500 [4] per annum for each child. Travel costs of the child may also be paid for an outward and return journey once in each scholastic year between the educational institution and the duty station, by a route approved by the Director General, but not in an amount exceeding the cost of an outward and return journey between the home country and the duty station.
