THE TEXTS OF THE INSTRUMENTS CONCERNING THE AGENCY'S ASSISTANCE
TO INDONESIA FOR THE CONTINUATION OF A
RESEARCH REACTOR PROJECT

The Second Supply Agreement

An amendment

On 7 April 1975 the Agency and the Governments of Indonesia and the United States of America amended by letter of agreement Article I of the Second Supply Agreement, concluded in connection with the Agency's assistance to Indonesia for the continuation of a research reactor project and reproduced in document INFCIRC/136/Add.1, to provide for Indonesia to purchase the enriched uranium which is the subject thereof direct from the manufacturer.
