COMMUNICATIONS RECEIVED FROM MEMBERS REGARDING THE EXPORT OF NUCLEAR MATERIAL AND OF CERTAIN CATEGORIES OF EQUIPMENT AND OTHER MATERIAL

Two further communications dated 26 September 1975

On 3 October 1975 the Director General received a letter from the Resident Representative of the Netherlands to the Agency transmitting two communications dated 10 September from the Minister for Foreign Affairs of Luxembourg dealing respectively with the export of nuclear material and the export of certain categories of equipment and other material. The Resident Representative requested that all Members be informed of the contents of the two communications, and they are accordingly reproduced below.

Communication from Luxembourg regarding the export of nuclear material

With reference to the discussions held in Vienna regarding exports of source or special fissionable material to any non-nuclear-weapon State for peaceful purposes I am able to inform you that the procedures for controlling exports of source and special fissionable material currently in force under the policy of the Government of the Grand Duchy of Luxembourg are fully consistent with those set out in the memorandum^[1] arrived at during the said discussions, and that the Government of the Grand Duchy of Luxembourg will advise you if the aforementioned situation should change.

So far as trade within the European Community is concerned, the Government of the Grand Duchy of Luxembourg will, where necessary, implement paragraph 5 of the memorandum in the light of its commitments under the Treaties of Rome.

Communication regarding the export of certain categories of equipment and other material

With reference to the discussions held in Vienna regarding exports of certain categories of equipment and material especially designed or prepared for the processing use or production of special fissionable material to any non-nuclear-weapon State for peaceful purposes I am able to inform you that the procedures for controlling exports of the above categories of equipment and material currently in force under the policy of the Government of the Grand Duchy of
