**EATVN No. 168**

The Permanent Mission of Colombia to the United Nations and other International Organizations in Vienna presents its compliments to the Secretariat of the International Atomic Energy Agency and has the honor to provide information on the Government of Colombia's nuclear security commitments.

Recognizing the importance of sustaining action and ambition on nuclear security, as well as the need to advance the implementation of nuclear security commitments and to build a strengthened, sustainable and comprehensive global nuclear security architecture, the Government of Colombia wishes to make known its commitment to the goals set out in the Statement of Principles of the Nuclear Security Contact Group, as contained in INFCIRC/899, and wishes to contribute to the advancement of the Contact Group's work.

The Government of Colombia requests that the Secretariat of the International Atomic Energy Agency circulate the text of this letter to all Member States for their information.

The Permanent Mission of Colombia to the United Nations and other International Organizations in Vienna avails itself of this opportunity to renew to the Secretariat of the International Atomic Energy Agency the assurances of its highest consideration.
