

Rosario Velasco

Nuclear Safety Council (Consejo de Seguridad Nuclear, CSN), Spain

Rosario Velasco is the Vice Chairwoman of CSN, a graduate of medicine and surgery from the University of Valladolid, having specialized in pediatrics. In the context of CSN, she is leading the activities of the regulatory body in matters of R&D. Ms. Velasco is the CSN representative in the Heads of the European Radiological Protection Competent Authorities Association (HERCA). HERCA develops an important program in radiation protection issues concerning medical applications. She is also the Spanish representative in the OECD/NEA Committee on the Safety of Nuclear Installations, (CSNI). Since 2013 she is the President of CEIDEN, the Spanish Technological Platform on Nuclear Fission Power.
